Major revisions to chapters on achieving the right balance and HR roles. Key Features: Cases and Discussion Questions provide real world scenarios and issues to illustrate contemporary HR issues in practice; Stop and Reflect Boxes throughout each chapter designed to encourage students to critically evaluate topics and issues raised and how they can be applied to real life situations; Personal Development Boxes help students think about how to link theoretical concepts with the development of personal skills appropriate to effective HRM; Experiential Exercises present Individual and Team tasks at the end of each chapter that can be used as in class exercises encouraging students to learn from direct experiences; Chapter Summaries provide links to learning objectives to help students remember key facts, concepts and issues. They also serve as an excellent study or revision guide; References and Further Reading list the literature referred to and highlight sources to help students to research and read around the topic in more depth. *Strategic HRM: A Balanced Approach* offers an engaging and comprehensive discussion of the factors that shape Human Resource Management in organizations.
