science based approach to managing problem behavior in all species of companion animals Who's a Good Dog? Jessica Pierce,2024-05-31 A New Scientist Best Book of 2023 A guide to cultivating a shared life of joy and respect with our dogs Who's a Good Dog is an invitation to nurture more thoughtful and balanced relationships with our canine companions By deepening our curiosity about what our dogs are experiencing and by working together with them in a spirit of collaboration we can become more effective and compassionate caregivers With sympathy for the challenges met by both dogs and their humans bioethicist Jessica Pierce explores common practices of caring for dogs including how we provide exercise what we feed how and why we socialize and train and how we employ tools such as collars and leashes She helps us both to identify

potential sources of fear and anxiety in our dogs lives and to expand practices that provide physical and emotional nourishment Who s a Good Dog also encourages us to think more critically about what we expect of our dogs and how these expectations can set everyone up for success or failure Pierce offers resources to help us cultivate attentiveness and kindness inspiring us to practice the art of noticing of astonishment of looking with fresh eyes at these beings we think we know so well And more than this she makes her findings relatable by examining facets of her relationship with Bella the dog in her life As Bella shows throughout all dogs are good dogs and we as humans and dog guardians could be doing a little bit better to get along with them and give them what they need

Moral Origins Christopher Boehm,2012-05-01 A noted anthropologist explains how our sense of ethics has changed over the course of human evolution By the author of Hierarchy of the Forest

Pukka's Promise Ted Kerasote,2018-06-01 This guide by the author of Merle s Door is beneficial for anyone who wants to ensure that their dogs will be healthy and well Seattle Post Intelligencer From the bestselling author who offers the most utterly compelling translation of dog to human I have ever seen Jeffrey Masson this is a joyful chronicle of a dog and a groundbreaking answer to the question How can we give our dogs the happiest healthiest lives When Ted Kerasote was ready for a new dog after losing his beloved Merle who died too soon as all our dogs do he knew he wanted to give his puppy Pukka the longest life possible But how to do that So much has changed in the way we feed vaccinate train and live with our dogs from even a decade ago In an adventure that echoes The Omnivore s Dilemma with a canine spin Kerasote tackles these subjects questioning our conventional wisdom and emerging with vital new information that will surprise even the most knowledgeable dog lovers Can a purebred be as healthy as a mixed breed How many vaccines are too many Should we rethink spaying and neutering Is raw food really healthier than kibble and should your dog be chewing more bones Traveling the world and interviewing breeders veterinarians and leaders of the animal welfare movement Kerasote pulls together the latest research to help us rethink the everyday choices we make for our companions And as he did in Merle s Door Kerasote interweaves fascinating science with the charming stories of raising Pukka among his dog friends in their small Wyoming village Funny revelatory and full of the delights of falling in love with a dog Pukka s Promise will help redefine the potential of our animal partners

How to Raise a Puppy Stephanie Rousseau,Turid Rugaas,2022-10-11 How to Raise a Puppy moves away from the traditional approach to raising puppies focused on obedience and control and instead takes an holistic dog centred approach Drawing on research into how dogs naturally rear their young and how dogs have evolved to behave and spend their time it supports a new way of sharing our lives with our dogs It also offers advice on dealing with some of the common challenges people experience with puppies and tips for managing adolescence A much needed resource for dog trainers veterinarians and behaviourists to recommend to clients this conveys a powerful message to help overcome all too common issues so many people have with their puppies Packed with practical advice it offers an overdue puppy perspective with respect for a dog as a sentient being at its core

Problem Animal Behavior James

O'Heare,2016-10-11 Problem Animal Behavior is an essential textbook providing detailed coverage of the functional assessment of problem animal behavior and the design and implementation of constructional contingency management plans It introduces the natural science of behavior and the basic laws and principles of behavior It places a strong emphasis on constructional positive reinforcement based methods throughout The strategies and procedures are applicable to all species Functional assessment forms are provided for the reader s use *Office Gossip and Minority Employees in the South African Workplace* Nasima M. H. Carrim,2023-07-11 This book examines how employees from marginalized communities handle office gossip and provides recommendations to corporate leaders regarding on how to support their marginalized employees better Office gossip is a phenomenon that is omnipresent in the workplace and experienced by minority employees at all levels within the organization in different ways Gossip is felt more acutely by minority employees compared to their majority counterparts at certain occupational levels and this book provides an empirical basis for understanding this phenomenon in organizational settings based on the experiences of marginalized workers The chapters use a variety of research methods to examine various aspects of the experience of office gossip among marginalized employees including perceptions of diverse groups regarding workplace gossip workplace gossip within teams intersectional experiences of employees from racial minority and LGBTQ communities and foreign nationals experiences of managers from racial minority backgrounds and experiences in specific fields such as sport and healthcare This book is of interest to students and researchers of diversity studies organization research human resource management and industrial psychology as well as an important resource for corporate leadership and human resource and DEI departments in corporate organizations The Year of the Puppy Alexandra Horowitz,2024-05-14 What Mr Rogers was to children Alexandra Horowitz is to dogs a wise and patient observer who seeks to intimately know a creature Her chapters packed with close observations about canine cognition and behavior are mini mood lifters NPR Maureen Corrigan on Fresh Air What is it like to be a puppy Author of the classic *Inside of a Dog* Alexandra Horowitz tries to find out spending a year scrutinizing her puppy s daily existence and poring over the science of early dog development Few of us meet our dogs at Day One The dog who will eventually become an integral part of our family our constant companion and best friend is born without us into a family of her own A puppy s critical early development into the dog we come to know is usually missed entirely Dog researcher Alexandra Horowitz aimed to change that with her family s new pup Quiddity Quid In this scientific memoir she charts Quid s growth from wee grub to boisterous sprite from her birth to her first birthday Horowitz follows Quid s first weeks with her mother and ten roly poly littermates and then each week after the puppy joins her household of three humans two large dogs and a wary cat She documents the social and cognitive milestones that so many of us miss in our puppies lives when caught up in the housetraining and behavioral training that easily overwhelms the first months of a dog s life with a new family In focusing on training a dog to behave we mostly miss the radical development of a puppy into themselves through the equivalent of

infancy childhood young adolescence and teenager hood By slowing down to observe Quid from week to week The Year of the Puppy makes new sense of a dog s behavior in a way that is missed when the focus is only on training Horowitz keeps a lens on the puppy s point of view how they begin to see and smell the world make meaning of it and become an individual personality She s there when the puppies first open their eyes first start to recognize one another and learn about cats sheep and people she sees them from their first play bows to puberty Horowitz also draws from the ample research in the fields of dog and human development to draw analogies between a dog s first year and the growing child and to note where they diverge The Year of the Puppy is indispensable for anyone navigating their way through the frustrating amusing and ultimately delightful first year of a puppy s life **Ain't Misbehavin'** John C. Wright,Judi Wright Lashnits,2001-01-01 One of America s foremost applied animal behaviorists offers a humane effective approach to pet behavior modification Includes Dr Wright s 11 steps to a well behaved pet how to read a pet s body language sections devoted to dogs and cats life cycles the latest breakthroughs in animal behavior studies and more Illustrations
