 Mouly, Timothy Seidel, Zubairu Wai, 2025-06-07 The Sage Handbook of Peace and Conflict Studies offers a comprehensive
 exploration of the complexities of violence conflict and peace from a global interdisciplinary perspective The handbook
 addresses the traditional Western centric approach while emphasizing the need to integrate Global South perspectives to
 create a more inclusive and transformative understanding of peace and conflict While important voices in peace and conflict
 studies have long stressed the need to not only address direct violence but also structural and cultural one certain strands of
 the field have upheld conservative knowledge production and reinforced unequal power structures This volume seeks to
 challenge these biases by foregrounding critical and decolonial approaches that emphasize gender race culture global history
 and political economy Its diverse chapters invite us to question mainstream assumptions and promote a broader more
 inclusive analysis of peace and conflict The handbook explores the evolution of the field highlighting the impact of historical
 events and the role of oppositional knowledge in political change It offers a critical overview of theoretical approaches
 emphasizing reflexivity inclusivity and the importance of local actors in peace and conflict dynamics Additionally it examines
 how cultural and disciplinary assumptions shape peacebuilding and conflict transformation and it critiques traditional global
 narratives on issues like governance climate change and human rights Finally the handbook presents real world case studies
 that integrate themes of decoloniality race gender and power inequalities across diverse global contexts By centering the
 Global South and integrating interdisciplinary perspectives this handbook provides valuable insights for scholars and
 practitioners committed to fostering a more equitable and just world Section 1 History Knowledge and Power in Peace and
