[Grant Morrison](#) Marc Singer, 2012-01-01 One of the most eclectic and distinctive writers currently working in comics Grant Morrison b 1960 brings the auteurist sensibility of alternative comics and graphic novels to the popular genres superhero science fiction and fantasy that dominate the American and British comics industries His comics range from bestsellers featuring the most universally recognized superhero franchises All Star Superman New X Men Batman to more independent creator owned work The Invisibles The Filth We3 that defies any generic classification In Grant Morrison Combining the Worlds of Contemporary Comics author Marc Singer examines how Morrison uses this fusion of styles to intervene in the major political aesthetic and intellectual challenges of our time His comics blur the boundaries between

fantasy and realism mixing autobiographical representation and cultural critique with heroic adventure They offer self reflexive appraisals of their own genres while they experiment with the formal elements of comics Perhaps most ambitiously they challenge contemporary theories of language and meaning seeking to develop new modes of expression grounded in comics capacity for visual narrative and the fantasy genres ability to make figurative meanings literal

Our Sentence is Up Patrick Meaney, Grant Morrison, 2012-03-15 Grant Morrison's graphic novel series The Invisibles has been hailed as an ambitious comics masterpiece but it's also frequently written off as incomprehensible Meaney provides in depth analysis that makes sense of the series's complicated ideas fractured chronology and delirious blend of fiction and reality He explores how the series's fictional conspiracy theories fare in the wake of 9/11 and the War on Terror

Grant Morrison's 18 Days Volume 2: Heroes and Legends Sharad Devarajan, Gotham Chopra, Samit Basu, Ashwin Pande, Aditya Bidikar, Grant Morrison, 2016-06-22 From legendary creator Grant Morrison All Star Superman Batman Robin The Invisibles comes the second volume in his epic creation as the battle between two armies of super warriors plays out on the battlefield as we flashback to see the events that brought people to the war 18 Days is the story of three generations of super warriors meeting for the final battle of their age a climactic war that concludes the age of the gods and begins the age of man Collecting the second story arc from the series This is not a Lord of the Rings or a Star Wars where the good guys win because they are right The good guys in 18 Days are forced to cheat and lie and break rules to win Although it has fantastic mythic trappings this is a very modern story of realpolitik and the failure of ideals in the face of harsh truth
