Language With ELLs Ivannia Soto, 2014-06-20 Mastering spoken language is the key to writing success for English Language Learning. ELLs struggle to meet the writing demands of the Common Core State Standards. In this book, ELL expert Ivannia Soto demonstrates how oral language development is the key to building writing skills. She offers educators a powerful set of tools for implementation at both classroom and policy levels, including exciting spoken techniques such as Socratic Seminar, Frayer model, and Think-Pair-Share that build vocabulary and extend into academic writing. Approaches to teaching three essential styles of writing: argumentative, procedural, and narrative. Sample lesson plans and graphic organizer templates.

Engaging Students in Academic Literacies María Estela Brisk, 2022-12-12 The second edition of this important and practical text provides specific information to guide teachers in planning and carrying out genre writing instruction in English for K-8 students within the content areas. Informed by systemic functional linguistics (SFL), a framework conducive to instruction that views language as a meaning-making resource, this book guides teachers by presenting concrete ways to teach writing in the language arts, science, and social science curricula. Introducing theory of language that is effective in addressing the writing development of all students, especially multilingual/multicultural groups, the book provides essential scaffolding for teachers to design and implement effective inclusive curricula while building their own knowledge. Fully up-to-date, the second edition features new genres appropriate for middle school, examples of student writing, an expanded focus on genre pedagogy, a new chapter on bilingual learners, guidance for teaching in the middle grades, as well as clear steps to prepare genre units based on two decades of experience working with whole schools. The chapter units cover distinct genres including memoirs, historical genres, fictional narratives, arguments, and more. With ready-to-use tools, the new edition prepares elementary and middle school teachers to meet and adapt to the variable demands of their own educational contexts. Easy to navigate, this teacher-friendly text is an essential resource for courses in academic writing, English education, and multilingual education, and for pre-service and practicing English Language Arts/ELA teachers who want to expand their teaching abilities and knowledge bases.
