Deadheads Remember Englishtown '77 Jim Daley, 2019-12-19 Deadheads may disagree on which Grateful Dead concert was their best ever but no one would argue that their performance at Englishtown on Sept 3 1977 was something special For Jim Daley who saw the band for the first time on that date it was a life changing experience that he looks back on with fondness more than forty years later Like many others he does n t remember much about that day but he sure does remember the music In this tribute to the band he loves so much the author commemorates the landmark concert by sharing memories from those who were there Together the tapestry of recollections reveals a detailed picture of what that day was like and why it was a defining moment for the band Some people remember the day quite vividly while others are a little foggy on details For most people however the music is at the forefront of their recollections Discover what it was really like on that hot humid day at
