Padilla, Fans of Dragonlance and Dawn of Wonder will enjoy the beginning of this fast-paced saga Enter a world of magic mayhem and heroes Jeff Wheeler Wall Street Journal Bestselling Author The one to crush the darkness Nearly three thousand years ago the Prophet penned the Song of Prophecy foretelling a time when darkness would engulf the world and threaten all life The Malatirsay would come the Chosen One to save the world of Dizhelim wielding magic unseen in centuries To prepare for this future time the Hero Academy was built its sole purpose to train the One But it has lost its focus throughout the ages not watching vigilantly for the signs of the end The time has arrived and the animaru have come dark creatures of unlife intent on snuffing out all living things and light itself But where is the Malatirsay Aeden Tannoch trained as a highland clan warrior raised by the Gypta traveling people could be the One but he cannot use the promised magic Yet In the midst of the dark swarm invading his world he must travel to the Hero Academy to seek the aid and tutelage of the masters there The enemy has caught his scent and pursues him If he doesn't learn to use the power he is prophesied to employ not only will he fall but the entire world will die with him *Hero's Strength* P.E. Padilla, The strength to do what's necessary Aila Ven has always been strong Monsters from another world threaten life itself but she knows her power will see her through With her magical weapons finely honed skills and friends by her side she has nothing to fear Or so she thought After their recent predicaments in Arania Aila Tere and Lily are finally heading to the Great Enclave To speak with the king Aila hasn't set foot in the Clavian capital city for years afraid of her secret being revealed What will happen when her friends

find out what she's been hiding What she can imagine may not even be the worst of their troubles If the Great Enclave itself is corrupted they may be riding into a trap set by the most powerful nation in the world Securing an alliance between the nation and the Hero Academy hinges on Aila but the road they're on may lead to imprisonment again Or worse This diplomatic mission may require every bit of skill and strength Aila has Will what she possesses be enough She'd rather fight the unliving animaru At least they're honest about wanting to kill her Warrior's Song P.E. Padilla, Allies and assassins Against the odds Aeden and his friends survived the assault on the animaru stronghold More the former enemy commander Khrazhti has joined them in their fight Things might be looking up But new dangers are revealed including a powerful human mage who is creating portals so more of the dark creatures can enter the world Great numbers of animaru a group of highly skilled assassins with orders to kill Aeden and his friends and an old magic that marks the group so the enemies can more easily find them are only part of the danger All this and Aeden is still trying to wrestle his magic under control If there was any time for him to go to the Hero Academy for magical training now would be it Unfortunately the way is blocked The heroes race to keep ahead of their would-be killers hatching a daring plan to escape to the north to the Academy at Sitor Kanda If they can't make it the world may yet be inundated with dark monsters bent on destroying all light and life Click now to get book two in the Song of Prophecy series and join Aeden and his allies as they try first to escape death itself and then to make it to the center of magical power in the world their last hope in heading off the invasion before it's too late Hero's Nature P.E. Padilla, Don't mess with Mother Nature or her priest In the midst of the chaos and danger of the Time of Darkness Urun Chinowa has been having a rough time He's had his share of attacks and close calls but the worst of all his experiences is the lost communication with his goddess Osulin What's a nature priest to do When he receives an urgent sending from the goddess Urun immediately prepares to go unaided to help her But his friends including the hero who was formerly known as Erent Caahs pledge their support and accompany him while others of the group head off for other urgent missions The group of heroes splits up Urun and his few companions heading toward where Osulin pointed him the Mellafond a dangerous and enigmatic swamp he had no desire to ever visit The young priest knows that if something could overpower a goddess he has little chance to defeat it but he must make the attempt Maybe the small group of heroes can pull off another victory against the dark forces challenging the world If not the battle with the animaru will have to proceed with fewer heroes **Hero Dawning** P.E. Padilla, Fans of Dragonlance and Dawn of Wonder will enjoy the beginning of this fast-paced saga Enter a world of magic mayhem and heroes Jeff Wheeler Wall Street Journal Bestselling Author The start of the end There are prophecies and there is the Prophecy The Bhavisyaganant the Song of Prophecy foretells a time of darkness of creatures from another world invading Dizhelim to destroy all life and light To combat this evil the Great Prophet Tsosin Ruus built the Hero Academy to train the Malatirsay the hero who is the only means to defeat the darkness prophesied to appear at the proper time But when is the time and who will it be Marla Shrike is the star student in the famed Hero

Academy already having mastered more schools than anyone in history The indeterminate future isn't on Marla's mind though not with the Academy in turmoil One of the masters has been murdered on the Academy grounds something that has never occurred This one action begins a tempest of events that will change not only everything Marla has ever known but the entire world She'll need every bit of skill and knowledge she's gained from her instruction to survive it Maybe even that won't be enough

Song's Prophet P.E. Padilla, The man behind the prophecy Tsosin Ruus had only ever wanted to pursue his studies and to make his family proud of him Sometimes life defeats the best of intentions Caught up in the turmoil of the most turbulent time in the world's history the studious mage was forced to engage in warfare on behalf of the Souveni Empire using magic in defiance of his conscience and beliefs Causing untold death and destruction In the midst of the battles and the killing Tsosin received what would become known as the greatest prophecy in the history of Dizhelim At an unspecified time the very existence of the world would be at stake with dark creatures from another world attempting to end all life with only one way to survive it Tsosin Ruus prophet archmage and hero of the War of Magic would need to turn his back on everything that had ever been important to him and dedicate his entire life to preparing for the Days of Darkness a time he knew would come long after he was dead and gone This is a companion story to the Song of Prophecy and Hero Academy series Pick it up today and see where it all started

Hero's Anger P.E. Padilla, Righteous anger or mindless rage Marla Shrike is not happy In fact you might say she's overwhelmed with anger Or just plain pissed off Things haven't been great lately for the Hero Academy's star student The deaths of friends and a master strange magical disturbances mysteries that refuse to be solved and the small matter of tens of thousands of dark monsters invading the world to kill all living things don't make for happy times Things like that can wear on a person so it's only natural that Marla is a little on edge Snapping at friends and even her beloved twin brother though that's got her thinking maybe it's more than the pressure Then there's the nagging feeling almost a compulsion that draws her to the south like an itch deep within her she can't possibly scratch When she decides to go south alone chasing the feeling that's when the troubles truly begin What does the savior of the world have to do to get a little peace Maybe she'll find it at the edge of the continent Marla's friends hurry to catch up to her afraid of what she might do but neither she nor they expect where they end up And with whom The world is full of danger why should this trip be any different Sure Marla is mad now but she doesn't know the limits of the emotion

Padilla, Assassin no more In Gythe those who have heard of Ix know her as the finest assassin alive Some recognize her as the Gray Man's chief killer death her constant companion Until now Defeated by the last of the Sapsyra warriors Nalia Wroun and then shown mercy Ix has left behind the life of a cutthroat for hire Why would her enemy spare her life What would she do with the chance she had been given When Ix finds herself in the land of her birth she decides to go in search of her roots But trouble doesn't just exist in the fortress of the Gray Man The greatest challenge of her life could be ahead of her in the land where her family was betrayed and murdered Set in the world of Gythe this companion story to the Harmonic Magic
