What Would Jesus Read? Erin A. Smith, 2015-04-13 Since the late nineteenth century religiously themed books in America have been commercially popular yet scorned by critics Working at the intersection of literary history lived religion and consumer culture Erin A Smith considers the largely unexplored world of popular religious books examining the apparent tension between economic and religious imperatives for authors publishers and readers Smith argues that this literature served as a form of extra ecclesiastical ministry and credits the popularity and longevity of religious books to their day to day usefulness rather than their theological correctness or aesthetic quality Drawing on publishers records letters by readers to authors promotional materials and interviews with contemporary religious reading groups Smith offers a comprehensive study that finds surprising overlap across the religious spectrum Protestant Catholic and Jewish liberal and conservative Smith tells the story of how authors publishers and readers reconciled these books dual function as best selling consumer goods and spiritually edifying literature What Would Jesus Read will be of interest to literary and cultural historians students in the field of print culture and scholars of religious studies

Collecting for the Curriculum Amy J. Catalano, 2015-09-28 If you re a librarian charged with collecting curriculum materials and children s literature to support the Common Core State Standards then this book the only one that offers explicit advice on collection development in curriculum collections is for you While there are many publications on the Common Core for school librarians and K 12 educators no such literature exists for curriculum librarians at the post secondary level This book fills that gap standing alone as a guide to collection development for curriculum librarians independent of the Common Core State Standards CCSS The book provides instruction and guidance to curriculum librarians who acquire and manage collections so you can develop a collection based on best practices The book begins with a primer on the CCSS and how curriculum librarians can support them Discussion of the Standards is then woven through chapters arranged by content area that share research based practices in curriculum development and instruction to guide you in curriculum selection Material types covered include games textbooks children s literature primary sources counseling and nonfiction Additional chapters cover the management of curriculum collections testing collections and instruction and reference as well as how to support and collect for special needs learners Current practices in collection development for curriculum materials librarians are also reviewed The book closes with a discussion of the future of curriculum materials
