Biblical Succession Planning Joshua D. Henson,2025-01-25 This book focuses on the contemporary applications of effective and ineffective leader succession narratives for contemporary organizational leadership From Moses and Joshua to Paul and Timothy the Old and New Testaments are replete with narratives described the leader transitions of prophets judges kings apostles and pastors Leadership succession is a complex process in that each situation is contextually unique This book explores 10 narratives in the Bible that demonstrate the contextual complexities of leader succession and how leaders navigated it for the good and bad Each chapter focuses on a different example of leader succession six Old Testament narratives three New Testament narratives and one chapter that takes a more holistic Scriptural approach The chapters provide practical organizational leadership principles that can be applied to contemporary succession planning Overall this work contributes to an emerging field of succession planning and informs organizational leaders how to lead from a Biblical perspective **The Great Story and the Great Commission (Acadia Studies in Bible and Theology)** Christopher J. H. Wright,2023-02-28 Christianity Today 2024 Book Award Missions Global Church Outreach 2024 Resource of the Year Mission and Cross Cultural Highly regarded biblical scholar and speaker Christopher Wright shows us that how we read the Bible has a profound impact on how we understand what mission is According to Wright People read and preach the Bible in tiny bits and pieces for its promises or rules or doctrines and fail to take it as the true story of the universe past present and future within the plan and purposes of God a story in which we are called to participate as coworkers with God Wright encourages

us to explore the Bible's grand narrative and to bring the whole counsel of God in Scripture to our understanding of who we are and what we must do as God's people. He helps us understand mission in its broadest sense including our creational responsibilities. Wright's goal is to get us excited about the dramatic vista of the whole Bible and to help us understand the breadth and depth of missional engagement that we are called to live as actors in that drama. Now in paperback. **The Fellowship of the Suffering** Paul Borthwick, Dave Ripper, 2018-05-15. Missionary Paul Borthwick and pastor Dave Ripper show how transformation through our personal pain enables us to minister faithfully to a hurting world. They candidly share about their own struggles and how they have seen God's kingdom advance through hardship and suffering. We can become powerful witnesses to Christ as a result of our brokenness. **Mission 3:16** Paul Borthwick, 2020-06-09. Paul Borthwick unpacks the Bible's most famous verse to unveil God's intentional sacrificial mission for the world. He examines every word in John 3:16 to reveal the underlying motivation for mission, the global scope of God's call, and how we are invited to enter into partnership with God. God still loves the world, and we can too. **Christian Mission in the Modern World** John Stott, Christopher J. H. Wright, 2015-11-05. Newly updated and expanded by Christopher J. H. Wright. John Stott's classic book presents an enduring and holistic view of Christian mission that must encompass both evangelism and social action. Through a thorough biblical exploration, Stott provides a biblically based approach to mission that addresses both spiritual and physical needs. The Symphony of Mission Michael W. Goheen, Jim Mullins, 2019-09-17. This book argues that God's mission is broad and that all of us can live with missional intentionality by understanding the many facets of missions and focusing on a particular calling. Just like different instruments of a symphony harmonize together, each aspect of human participation in mission—evangelism, justice initiatives, poverty alleviation, faithful work in the marketplace, art—helps us play our part in God's work in the world. Combining expertise from a mission scholar and a working pastor, the book includes practical examples and tools to help readers imagine their part in God's mission. **Great Commission, Great Compassion** Paul Borthwick, 2015-12-03. Go and do Jesus commands it, and the world needs it. Mission mobilizer Paul Borthwick shows how proclamation and demonstration of the gospel go hand in hand, bringing together the Great Commission of Matthew 28 and the Great Compassion of Matthew 25 while offering practical, holistic ways for us to live them out in every sphere of our lives. *A Father's Tender and Compassionate Love* Dr. Sylvia Forchap Likambi, 2013-01-14.
