UFO sightings and above all UFO crashes that most people are likely unaware of The special feature of this book is that the conclusion of the hypothesis is entirely independent of whether aliens are actually waging war against us Because The enemy could also be someone else Let yourself be surprised The work is adorned with numerous high quality images that appropriately support each topic and create plenty of mood and atmosphere Ich habe den Text sorgf ltig berpr ft Wenn du noch nderungen oder Erg nzungen w nschst lass es mich wissen Viel Erfolg mit dem E Book The Web's Greatest Hits

EXTRATERRESTRIAL CIVILIZATIONS ON EARTH is a stimulating current accounting of extraterrestrial beings who came to Earth long ago in space ships to cultivate ancient civilizations Ancient continents existed such as Lemuria Lumania Atlantis Thule Telos Rama and Mar Ancient ruins were discovered on different continents A golden age existed in ancient times Empires from the stars came to Earth Mankind evolved in different races and cultures Regalians from Orion came to Earth to dominate ancient civilizations Galactic citizenship is important to establish planetary unity peace and harmony Life on other planets exists The lost city of a goddess is described Legendary seven cities of gold are revealed Extraterrestrial findings are found and described by Zecharia Sitchin New sensational findings are revealed by Erich Von Daniken Extraterrestrial beings came to Earth Many people have been contacted by extraterrestrial beings UFOs exist and have been hovering around the Earth There are extraterrestrial civilizations that exist on Earth You will learn about specific evidence regarding

extraterrestrial beings and UFO sightings and personal experiences about UFOs and extraterrestrial beings **Tracking Ancient Legends** Alan Dale Daniel,2013-09-27 Can we logically combine recent research on human origins with ancient legends of floods paradise lost and cloud clad gods destroying civilizations Yes says author Alan Daniel who has thoughtfully joined key primordial legends with mitochondrial DNA research archeological and anthropological finds and geological evidence in Tracking Ancient Legends DNA evidence shows a small band of humans crossed out of Africa into Eurasia about

100 000 BC however why is lost to the primordial mists But the why may be answered by primeval legends overlooked until now The author theorizes that prehistoric legends may explain the flight from Africa The model set forth is fascinating as well as epic in scope Competing theories are examined including the ancient astronaut concepts and the foundations of theory itself Are aliens from other worlds the source of our legends or is something much more earthly and surprising the groundwork of our legendary past

UFO Stephen Gildust,2025-05-23 As a ufologist I find the times we live in incredibly exciting Many recent events point to UFOs and their presence here on Earth Yes I am a firm believer in the existence of UFOs and I am entirely convinced that these phenomena are happening right now on Earth as well as having occurred far back in time There are simply too many stories sightings autopsies and other unexplained events throughout history to dismiss them However I had my own personal experience In the early 1970s during a field trip with my entire school class we witnessed a UFO up close A classic flying saucer slowly and safely hovered a few meters above the treetops We witnessed this phenomenon about 100 meters away in the open field watching for about 10 15 seconds The speed of the aircraft was probably similar to how quickly you or I would run the same 600 feet distance It was a spring morning with normal weather This experience ignited my interest in UFOs and after that I became fully convinced of the existence of this phenomenon That said I am also critical of various TV series books and other media that sensationalize these topics Not everything thats labeled as an alien encounter or UFO sighting is what it seems There are often many possible explanations for these phenomena But what would happen globally if all governments went public and said that UFOs and aliens exist Mass hysteria would probably break out immediately and the stock markets and the economy would collapse with people taking to the streets armed with guns Or do you think it would play out differently I wish you good luck as you dive into this book and hope it gives you something to ponder Bonus material over 120 observations through history

UFO's: The Great Last Days Deception Billy Crone,2018-03-16 Mention the topic of UFO s and Aliens and not only have most people already formed their opinions about them but virtually everyone on the planet now believes in them More people believe in Aliens than in the existence of God and more people believe that Aliens have visited planet earth than that Jesus is the Son of God Ufology has become a new religion for 21st century where people now believe that Aliens will save them not God The problem is hardly anyone recognizes the true identity of UFO s let alone how they are being used to usher in one of the darkest most deceptive times in the history of mankind Therefore this book UFO s The Great Last Days Deception seeks to equip you with the truth concerning so called extraterrestrial visitors and their hidden demonic agenda One of the biggest lies in the history of mankind is about to be foisted upon the whole world The Rapture of the Church is going to happen but it won t be from a liftoff in UFO s like we are being told Don t fall for the lie

Evidently NASA can see through millions of layers of stars and galaxies to get thousands of crystal clear shots of galaxies millions of light years away but they cannot take even ONE simple photo of Earth from the Moon's distance that is not CGI fakery. NASA is merely a film production company with a huge budget and huge real rocket props. We have ALL been indoctrinated by occult high masters at NASA to the tune of 53 million dollars a day coming out of OUR Pay Checks to pay for their fake CGI rubbish. When we stop and slow down and really really let it sink in the most accurate map of the Earth used by the United Nations is The Flat Earth Map. They even outline the map with wheat stalks to symbolize Antarctica. This is the groundbreaking story of The Flat Earth cover up. The Who How and Why they did it story.

UFO-LIES Ryan Elbwood,2025-01-19 For over 45 years I noticed again and again that many UFO sighting reports mentioned technical details windows strangely looking beings and so on From the critics side such details were almost always completely ignored The sightings were then labeled as absolutely banal and ridiculous astronomical atmospheric physical biological chemical or comparable phenomena Why were the important details completely ignored in so many cases Why did they sweep essential factors under the rug so often For what reasons did many governments remain silent on these topics while at the same time financing expensive research projects on them In this book I want to examine these and some other explosive questions more closely and not ignore possible answers even if they will not please some people
