The Gregg Reference Manual Sheila A. O'Neill, William A. Sabin, 1986 *The Gregg Reference Manual* William A. Sabin, 1999 The Gregg Reference Manual is a handbook of grammar usage primarily intended for office administration students. Happy about My Resume Barbara Safani, 2008 Many great job candidates have poor resumes that are merely a laundry list of job tasks that do little to distinguish them from their competition. The average recruiter or hiring manager spends less than 15 seconds reviewing a resume. Most people's resumes fail to wow the reader and quickly end up in the no pile. Writing a resume can feel like an overwhelming task. It can seem like a Herculean effort to consolidate so much important information about a career into a one or two page document. But it doesn't have to be that way. In *Happy About My Resume*, Barbara Safani offers 50 tips for creating compelling copy and presenting it in a powerful way to grab the hiring authority's attention and get them to pick up the phone to call you in for an interview. Safani provides practical and easy-to-follow advice as well as numerous samples that show each of her tips in action. The book will help readers learn how to quickly create a resume that is professional, gets them noticed, minimizes the amount of time they spend in a job search, and maximizes their earning power.
