Dilemma of Sustainability in the Age of Globalization Mohamed El-Kamel Bakari, 2017-09-05 The Dilemma of
 Sustainability in the Age of Globalization A Quest for a Paradigm of Development offers an exhaustive overview of the
 different political social economic and cultural circumstances that paved the way for the inception of sustainable
 development It particularly traces the evolution of this project in an unpropitious context of neo liberal capitalism and
 globalization By means of an in depth critical comparative analysis of the two phenomena of sustainable development and
 globalization this book highlights aspects of both their divergence and convergence on issues such as development man
 nature relationship and society This distinctive approach pinpoints the theoretical and factual aspects of clash and affinity
 between globalization and sustainability and spotlights some potential harmonization between the two on different levels On
 the whole this book covers a few gaps in the contemporary literature that heightened the need for analysis of the viability of
 implementing the project of sustainable development in a context of neoliberal capitalism Given the highly interdisciplinary
 nature of its topic a holistic approach is utilized throughout this book integrating historical literary economic political and
 scientific material The first part of this book is largely based on a critical comparative analysis of the two vying paradigms of
 development by means of a thorough juxtaposition of their theoretical and ideological underpinnings and backed up by lucid
 examples statistics and case studies In later sections this book provides an analysis and discussion of both the extrinsic and
 intrinsic obstacles to promoting sustainability in the current socio economic paradigm of development and closes by offering
 glimpses of hope for the future of humankind by underlining the potential of new initiatives to revive sustainable
 development in the 21st century **Macroeconomics** William J. Baumol, Alan S. Blinder, Gordon S Rentschler Memorial
