Maenner Nacht Ernst Weiss:

Narrative Unreliability in the Twentieth-Century First-Person Novel Elke D'hoker, Gunther Martens, 2008-12-10

This volume deals with the occurrence and development of unreliable first person narration in twentieth century Western literature. The different articles in this collection approach this topic both from the angle of literary theory and through a detailed reading of literary texts. By addressing questions concerning the functions, characteristics and types of unreliability, this collection contributes to the current theoretical debate about unreliable narration. At the same time, the collection highlights the different uses to which unreliability has been put in different contexts: poetical traditions and literary movements. It does so by tracing the unreliable first person narrator in a variety of texts from Dutch, German, American, British, French, Italian, Polish, Danish and Argentinean literature. In this way, this volume significantly extends the traditional canon of narrative unreliability. This collection combines essays from some of the foremost theoreticians of unreliability: James Phelan, Ansgar Nünning, with essays from experts in different national traditions. The result is a collection that approaches the case of narrative unreliability from a new and more varied perspective.

Die Kultur des Kriminellen Cornelia Heering, 2009
Ernst Weiß und Rahel Sanzara ziehen heute zu den selten rezipierten und in den Kontext einer konservativen Kulturkritik eingereihten Autoren. Die interdisziplinäre Analyse des Werkes dieser Autoren zeigt jedoch ein anderes Bild. Der Erste Weltkrieg war für sie das reale Ereignis, dessen Auswirkungen ihre Schreibprogramme zu einer Kultur des Kriminellen bereitete. Ernst Weiß nimmt im Zeitraum 1918 bis 1933 unterschiedlichen Bearbeitungen von Sujets der äußeren und inneren Verstellung vor, die Ausdruck des Eindringens der Außenwelt in den Körper und in das Denken war. Er antwortet damit auf die Kriegsfolgen mit Textanordnungen innerhalb einer klaren Position, die sich genauso wie die Rahel Sanzaras in der Tradition des Neuen Pitaval befindet. Die untersuchten Texte: *Männer in der Nacht* 1925, *Die Feuerprobe* 1923, *Der Fall Vukobrancovics* 1924, *Franta Zlin* 1919, *1928 Das verlorene Kind* 1926 folgen der ästhetischen Maxime, dass die Sprache keine Wahrheit wieder herstelle, sondern lediglich die Zusammenhänge zum Erkennen verdichte und dass immer Lege auch da bleibt, weil unser Denken liegt.
