Ghosts of Coeur d'Alene and the Silver Valley Deborah Cuyle, 2020 Eerie sightings and legendary haunts in the heart of the Idaho panhandle Spirits of pioneers who risked their lives in search of fortune still roam the old buildings in the Silver Valley The ghosts of a young boy and teacher actively wander the halls of The Roosevelt Inn A prisoner of war haunts the old fort where his torture and killing took place Still waiting for her lover's return an expectant spirit haunts her favorite room in the Jameson Hotel The skeletons of unfortunate soldiers lie where Fatty Carrol buried their bodies so long ago and the phantoms of restless miners still linger in abandoned mines Author Deborah Cuyle reveals Coeur d'Alene and the greater Silver Valley's fascinating haunted history and the souls that refuse to leave **The Ghostly Tales of Coeur d'Alene** Ms. Deb A. Cuyle, 2023-08-07 Ghost stories from America's Silver Valley have never been so creepy fun and full of mystery Welcome to the spooky streets of Coeur d'Alene and the Silver Valley Stay Alert Ghosts lurk around every corner Even the most unexpected places might be haunted by wandering phantoms Did you know there is a ghost boy who welcomes guests at the Roosevelt Inn Or that a spooky statue at Farragut State Park seems to watch you as you walk by Can you believe that ghosts still take the stage at a theater in Wallace Pulled right from history these ghostly tales will change the way you see Coeur d'Alene and the Silver Valley forever and have you sleeping with the lights on *The Ghostly Tales of Coeur d'Alene* Deborah A. Cuyle, 2023 Adapted from *Ghosts of Coeur d'Alene and the Silver Valley* by Deborah Cuyle Title page *Social Register, Richmond, North Carolina, Charleston, Savannah, Augusta, Atlanta ...*, 1920 **Wicked Coeur d'Alene** Deborah Cuyle, 2021-09-27 Despite its inviting splendor Coeur d'Alene was home to violent conflict and lascivious mischief in its earliest years Newspapers echo accounts of desperate gamblers prostitutes and prospectors who did everything they could to secure their own future at all costs Town druggist Mr Salis Smith concocted medicine composed of 50 percent alcohol mixed with cocaine or opium for the despondent Characters like Bootleg Mary or murderous Fatty Carroll notorious for employing shallow graves populate dark tales of hushed murders illegal gambling and corrupt politics From bloody mining disputes to outlaw train robberies author Deborah Cuyle recounts the sordid salacious and sinful sides of Lake City's past **Mental Territories** Katherine G. Morrissey, 2018-09-05 Rarely recognized outside its boundaries today the Pacific Northwest region known at the turn of the century as the Inland Empire included portions of the states of Washington and Idaho as well as British Columbia Katherine G Morrissey traces the history of this self-proclaimed region from its origins through its heyday In doing so she challenges the characterization of regions as fixed places defined by their geography economy and demographics Regions she argues are best understood as mental constructs internally defined through conflicts and debates among different groups of people seeking to control a particular area's identity and direction She tells the story of the Inland Empire as a complex narrative of competing perceptions and interests *The Channels of Student Activism* Amy J. Binder, Jeffrey L. Kidder, 2022-05-16 An eye-opening analysis of collegiate activism and its effects on the divisions in

contemporary American politics The past six years have been marked by a contentious political atmosphere that has touched every arena of public life including higher education Though most college campuses are considered ideologically progressive how can it be that the right has been so successful in mobilizing young people even in these environments As Amy J Binder and Jeffrey L Kidder show in this surprising analysis of the relationship between political activism on college campuses and the broader US political landscape while liberal students often outnumber conservatives on college campuses liberal campus organizing remains removed from national institutions that effectively engage students after graduation And though they are usually in the minority conservative student groups have strong ties to national right leaning organizations which provide funds and expertise as well as job opportunities and avenues for involvement after graduation Though the left is more prominent on campus the right has built a much more effective system for mobilizing ongoing engagement What s more the conservative college ecosystem has worked to increase the number of political provocations on campus and lower the public s trust in higher education In analyzing collegiate activism from the left right and center *The Channels of Student Activism* shows exactly how politically engaged college students are channeled into two distinct forms of mobilization and why that has profound consequences for the future of American politics
