multi view relation learning for cross domain few shot hyperspectral - Sep 20 2022

web 18 hours ago download pdf abstract cross domain few shot hyperspectral image classification focuses on learning prior knowledge from a large number of labeled samples from source domain and then transferring the knowledge to the tasks which contain only few labeled samples in target domains following the metric based manner many current

classify hyperspectral image using library signatures and sam matlab - Jun 17 2022

web this example shows how to classify pixels in a hyperspectral image by using the spectral angle mapper sam classification algorithm this algorithm classifies each pixel in the test data by computing the spectral match score between the spectrum of

a pixel and the pure spectral signatures read from the ecostress spectral library this example
