**What Is Graves Disease: Looking from the inside out** Mark Denton Bevens, 2018-04-28 I wrote this to help people with Graves Disease realise you re not alone even though you often feel very isolated and cut off from reality I also wanted to acknowledge the impact this disease has on our significant others and to say to them We love and appreciate you so much no matter what we do and say when our minds are lost confused and frightened Our words and actions and not really us right now so please bear with us and hopefully we ll be back real soon It s also my attempt at trying to understand what this disease is quite frankly I have very little idea Graves only affects 2% of our population so ignorance from the general public is expected but our medical staff should be a little more clued up A few months back I was given a prescription by my GP that could have given me a heart attack I probably started to think about writing this book at that very moment purely for self defence against ignorance So let s step out of the shadows and begin to dance once again in the light
