Book CD ROM Applying to college can be one of the most stressful times in a student's life. Not only are you faced with the task of finding the perfect school for you but you also have to find scholarships to be able to go to the school you want. These two intertwining obstacles require a lengthy application and a seemingly perfect essay. The essay topic is crucial to demonstrate your values, creativity and depth of knowledge and the writing is important because it reflects your power of persuasion, organisational skills and style. This book will teach you how to write effective applications and essays for college admissions and scholarships, helping shoulder some of the weight of applying. This guide provides you with all the tools you need to complete your application and write a winning essay. You will learn how to choose a topic, keep your focus narrow and personal, edit and revise, tweak essays to use them on various applications, choose your tone and structure, avoid the common pitfalls and how to overcome writer's block. The guide has sample essays and essay questions and even examples of the essays specific colleges use. You will find those samples on the companion CD ROM along with brainstorming exercises and sample applications. Admissions officers have chimed in with their expertise to provide insider information on how to compose impressive applications and essays for admission and scholarships.

Best 143 Business Schools Nedda Gilbert, Princeton Review (Firm), 2004. Our Best 357 Colleges is the best selling college guide on the market because it is the voice of the students. Now we let graduate students speak for themselves too in these brand new guides for selecting the ideal business, law, medical or arts and humanities graduate school. It includes detailed profiles, rankings based on student surveys like those made popular by our Best 357 Colleges guide as well as student quotes about classes, professors, the social scene and more. Plus we cover the ins and outs of admissions and financial aid. Each guide also includes an index of all schools with the most pertinent facts such as contact information. And we've topped it all off with our school says section where participating schools can talk back by providing their own profiles. It's a whole new way to find the perfect match in a graduate school.
