thinker Dallas Willard has been the church's Great Omission. The word disciple occurs 269 times in the New Testament, writes Willard. Christian is found three times and was first introduced to refer precisely to disciples of Jesus. The New Testament is a book about disciples by disciples and for disciples of Jesus Christ. But the point is not merely verbal. What is more important is that the kind of life we see in the earliest church is that of a special type of person. All of the assurances and benefits offered to humankind in the gospel evidently presuppose such a life and do not make realistic sense apart from it. The disciple of Jesus is not the deluxe or heavy duty model of the Christian especially padded, textured, streamlined and empowered for the fast lane on the straight and narrow way. He or she stands on the pages of the New Testament as the first level of basic transportation in the Kingdom of God. Willard boldly challenges the thought that we can be Christians without being disciples or call ourselves Christians without applying this understanding of life in the Kingdom of God to every aspect of life on earth. He calls on believers to restore what should be the heart of Christianity: being active disciples of Jesus Christ. Willard shows us that in the school of life we are apprentices of the Teacher whose brilliance encourages us to rise above traditional church understanding and embrace the true meaning of discipleship: an active, concrete 24/7 life with Jesus.
