*Always On* Naomi S. Baron, 2010-03-03 Baron reveals that online and mobile technologies including instant messaging cell phones multitasking Facebook blogs and wikis are profoundly influencing how we read and write speak and listen but not in the ways we might suppose She reveals that email IM and text messaging have had surprisingly little impact on student writing More troubling is the myriad ways in which we block incoming IMs and screen incoming calls Our ability to decide who to talk to she argues is likely to have a lasting influence on the way we communicate with one another Also what kind of people will we become if the relationships we form must increasingly compete for our attention with digital media

*The Book-Makers* Adam Smyth, 2024-05-28 A scholar and bookmaker breathes both books as objects and their creators back into life *Financial Times* in this five hundred year history of printed books told through the people who created them Books tell all kinds of stories

romances tragedies comedies but if we learn to read the signs correctly they can tell us the story of their own making too The Book Makers offers a new way into the story of Western culture s most important object the book through dynamic portraits of eighteen individuals who helped to define it Books have transformed humankind by enabling authors to create document and entertain Yet we know little about the individuals who brought these fascinating objects into existence and of those who first experimented in the art of printing design and binding Who were the renegade book makers who changed the course of history From Wynkyn de Worde s printing of fifteenth century bestsellers to Nancy Cunard s avant garde pamphlets produced on her small press in Normandy this is a celebration of the book with the people put back in

**Beowulf on the Beach** Jack Murnighan, 2009-05-19 Feel bad about not reading or not enjoying the so called great books Don t sweat it it s not your fault Did anyone tell you that Anna Karenina is a beach read that Dickens is hilarious that the Iliad s battle scenes rival Hollywood s for gore or that Joyce is at his best when he s talking about booze sex or organ meats Writer and professor Jack Murnighan says it s time to give literature another look but this time you ll enjoy yourself With a little help you ll see just how great the great books are how they can make you laugh moisten your eyes turn you on and leave you awestruck and deeply moved Beowulf on the Beach is your field guide erudite witty and fun loving for helping you read and relish fifty of the biggest and most skipped classics of all time For each book Murnighan reveals how to get the most out of your reading and provides a crib sheet that includes the Buzz the Best Line What s Sexy and What to Skip

*Literacy Online* Myron C. Tuman, 1992 In the midst of ideological debates in the 1980s concerning literacy an entirely different kind of revolution in the practice of literacy was occurring Everyone students teachers authors and their readers was starting to use computers to compose texts The very notions of reading and writing were being altered with the use of online library catalogues computer databases and electronic mail With access to laser printing and desktop publishing software writers were also able to control not only what they said but how it looked

**There Will Be No Miracles Here** Casey Gerald, 2019-10-01 NAMED A BEST BOOK OF 2018 BY NPR AND THE NEW YORK TIMES A PBS NEWSHOUR NEW YORK TIMES BOOK CLUB PICK Somehow Casey Gerald has pulled off the most urgently political most deeply personal and most engagingly spiritual statement of our time by just looking outside his window and inside himself Extraordinary Marlon James Staccato prose and peripatetic storytelling combine the cadences of the Bible with an urgency reminiscent of James Baldwin in this powerfully emotional memoir BookPage The testament of a boy and a generation who came of age as the world came apart a generation searching for a new way to live Casey Gerald comes to our fractured times as a uniquely visionary witness whose life has spanned seemingly unbridgeable divides His story begins at the end of the world Dallas New Year's Eve 1999 when he gathers with the congregation of his grandfather's black evangelical church to see which of them will be carried off His beautiful fragile mother disappears frequently and mysteriously for a brief idyll he and his sister live like Boxcar Children on her disability checks When Casey following in the footsteps of his father a gridiron legend who literally broke his back for the team is recruited to play football at Yale he enters a world he's never dreamed of the anteroom to secret societies and success on Wall Street in Washington and beyond But even as he attains the inner sanctums of power Casey sees how the world crushes those who live at its margins He sees how the elite perpetuate the salvation stories that keep others from rising And he sees most painfully how his own ascension is part of the scheme *There Will Be No Miracles Here* has the arc of a classic rags to riches tale but it stands the American Dream narrative on its head If to live as we are is destroying us it asks what would it mean to truly live Intense incantatory shot through with sly humor and quiet fury *There Will Be No Miracles Here* inspires us to question even shatter and reimagine our most cherished myths

*Cheat On Your Husband (with Your Husband)* Andrea Syrtash, 2011-09-13 There's an old joke that after years of

marriage a man complains She changed and a woman complains He didn't Just as change is a part of life it's also a part of marriage a healthy and normal part of it But just because things have changed doesn't mean you shouldn't recognize yourself or your relationship with your husband Too many women wake up in their marriages and ask themselves Is this it After years of sharing domestic duties raising kids and balancing careers many of us can't help but wonder if we're living the lives we intended to have Whether you have been married for two decades or two months dating and relationship expert Andrea Syrtash shows how to create a more exciting and more fulfilling relationship with your spouse and more important with yourself After all you can't expect to find passion in your relationship if you are not passionate about your own life With simple steps and fun exercises *Cheat On Your Husband with Your Husband* provides the tools to help you combat boredom in your marriage and renew an easy intimate connection with your spouse Using real life examples of couples who have benefited from her techniques Syrtash debunks common marriage myths and shows how fun and fulfilling marriage can be

*Edinburgh Companion to Charles Dickens and the Arts* Claire Wood, Juliet John, 2024-05-31 The *Edinburgh Companion to Charles Dickens and the Arts* explores Dickens's rich and complex relationships with a myriad of art forms and the far reaching resonance of his works across the arts overall This volume reassesses Dickens's prescient philosophy of art both through a historical and a present day lens and in the context of debates about the cultural value of the arts Across thirty three original essays it outlines the ways in which Dickens broke down oppositions between high and low art money and the aesthetic the extraordinary and the ordinary and art for its own sake and the social good In doing so it considers how Dickens prefigured the arts of the future including rap music television fanfiction and global cinema *Emerging Dynamics in Audiences' Consumption of Trans-media Products* Carmen Spano, 2020-11-27 The book investigates the new forms of empowered agency possessed by national audiences with reference to two particular television texts *Game of Thrones* and *Mad Men* The two popular American TV shows are highly successful products of the convergence era characterized by trans media storytelling as a strategy and the interconnection of audiences multiple practices of reception and fruition The book argues how the analysis of audience engagement with trans media texts will disclose important information about the various ways people organize their lives around media and how these activities help them to make sense of the world they live in
