Sociability and Society K. Ludwig Pfeiffer, 2023-03-21 Today churches political parties trade unions and even national sports teams are no guarantee of social solidarity At a time when these traditional institutions of social cohesion seem increasingly ill equipped to defend against the disintegration of sociability K Ludwig Pfeiffer encourages us to reflect on the cultural and literary history of social gatherings from the ancient Athenian symposium to its successor forms throughout Western history From medieval troubadours to Parisian salons and beyond Pfeiffer conceptualizes the symposium as an institution of sociability with a central societal function As such he reinforces a programmatic theoretical move in the sociology of Georg Simmel and builds on theories of social interaction and communication characterized by Max Weber George Herbert Mead Jürgen Habermas Niklas Luhmann and others To make his argument Pfeiffer draws on the work of a range of writers including Dr Samuel Johnson and Diderot Virginia Woolf and Marcel Proust Dorothy Sayers Joseph Conrad and Stieg Larsson Ultimately Pfeiffer concludes that if modern societies do not find ways of reinstating elements of the Athenian symposium especially those relating to its ritualized ease decency and style of interaction they will have to cope with increasing violence and decreasing social cohesion

Scott Fitzgerald, 2014-02-24 For the legions of Great Gatsby fans and scholars F Scott Fitzgerald s early version of his masterpiece provides a new understanding of Fitzgerald s working methods fresh insight into his characters and renewed appreciation of his genius now available in ebook for the first time Reading F Scott Fitzgerald s Trimalchio an early and complete version of The Great Gatsby is like listening to a familiar musical composition played in a different key It is the same work and yet a different work Fitzgerald wrote Trimalchio during the summer of 1924 and submitted it to Maxwell Perkins his editor at Scribner s in October of that year He titled the book after the ostentatious party giver in the Satyricon of Petronius Perkins had the novel set in type and sent the galleys to Fitzgerald in France Fitzgerald then heavily revised the galley pages shifting material around and changing the title The result was The Great Gatsby his signature work Trimalchio however is also a remarkable achievement It differs considerably from The Great Gatsby its plot and structure are not the same two chapters of Trimalchio were completely rewritten for the published novel characterization is different Nick Carraway s narrative voice is altered and it contains several passages and sequences missing from Gatsby Most importantly in Trimalchio Jay Gatsby s past is revealed in a wholly different way

[The Great Gatsby - an Overview](#) Felipe Gutierrez,2011-03-01 Essay from the year 2011 in the subject American Studies Literature grade 4 00 language English abstract As The Great Gatsby by F Scott Fitzgerald begins Nick Carraway is introduced as the protagonist of the novel There are various major characters in this novel nevertheless the protagonist Nick helps shape the novel s plot through his personality and way of living Nick comes from a well known family that has lived in the Middle Western city for three extensive generations The founder of this illustrious family was Nick s grandfather s brother who started a wholesale hardware business which Nick s father carries on in the novel Moreover Nick graduated from Haven in 1915 twenty five years after his father He then participated in the Teutonic migration known as the Great War Nick was part of the Third Division and was in the ninth machine gun battalion Nick then decided to move to the East in 1922 due to the gossip and rumors that circled his personal life For instance there were various rumors that Nick was engaged which are clearly false The reader can then see that Nick is a man that is easily influenced and bothered by other people s ideas statements Nonetheless Nick wanted to learn the bond business because the Middle West had began to seem as if it were the ragged edge of the universe Nick traveled east of New York where he began to live at West Egg which is less stylish when compared to East Egg Nick s house was at the top of the egg giving him a great view of the neighboring houses Additionally Nick bought several volumes on banking and credit revealing to the reader that

Nick is a man that wants to be someone in the world obtaining a high quality job in his profession and becoming wealthy

The Great Gatsby - Characters, modern society and the end of a dream Shiva Rezaeifard, 2006-02-13 Seminar paper from the year 2003 in the subject English Language and Literature Studies Literature grade 1.7 Ruhr University of Bochum language English abstract Reading the *The Great Gatsby* I was very impressed about the style and the way the author let his actors behave or the description of the settings At first sight it gives the impression of a lucid and meaningless novel but it contains many disguise and metaphoric meanings What impressed me most was the ascent and downfall of a kind and naive man by the cruel and wicked society In the following pages I try to explain and to analyse Gatsby's sole dream his obsession for his one time love Daisy First of all as a foundation I will characterize the main actors then analyse the important settings and their influence on the figures and finally try to explain why it ends in this way **The significance**

of color in "The Great Gatsby" Sabine Reich, 2005-07-29 Seminar paper from the year 2005 in the subject American Studies Literature University of Erfurt course Modernism language English abstract Introduction Artists use colors to show hidden intentions and traffic lights provoke a certain way of acting through their color Colors symbolize various things in everyday life One usually has an instinctive connection from colors to certain feelings or uses In his novel *The Great Gatsby* F. Scott Fitzgerald is an artist He uses colors to communicate to the reader feelings and attitudes of the protagonists With my term paper on Fitzgerald's color symbolism in *The Great Gatsby* I want to show the different uses of colors and the way color influences a scene subliminal **Quicklet on F. Scott Fitzgerald The Great Gatsby** Hayley Igarishi, 2011-12-14 ABOUT

THE BOOK F. Scott Fitzgerald's grand story about disillusionment and hopeless love has charmed generations of readers and critics but perhaps *The Great Gatsby*'s greatest fan was its author He told his editor I think my novel is about the best American novel ever written So Fitzgerald is not the most humble man but as the author of a novel which both chastises and celebrates humanity's vices that fact should not come as such a surprise *The Great Gatsby* though a rather slender book expounds upon larger than life flaws and mistakes of its characters It is a story of more than just people but of a country and a society lost amidst their own wealth searching for their individuality and salvation MEET THE AUTHOR Hayley Igarashi is a student at UC Davis preparing to graduate this summer with a degree in both history and philosophy She has been writing fictional short stories since she was a child and a couple of her pieces have even been published in small online magazines Only recently has she discovered how nice writing about real life can be a realization that took surprisingly long considering her background in history She likes to read and at the moment is most inspired by the writings of Kurt Vonnegut Jonathan Safran Foer Kazuo Ishiguro and because everyone needs a guilty pleasure George R. R. Martin When not studying for school she enjoys doing normal things like hanging out with friends and family and watching movies Items on her bucket list include sky diving running a marathon writing a full length novel and learning how to cook something that tastes good If you have a Facebook you should stop by and say hello Find her here <http://www.facebook.com/profile.php?id=1434740403> *Color*

Symbolism in F. Scott Fitzgerald's "The Great Gatsby" Julia Deitermann, 2006-09-18 Seminar paper from the year 2004 in the subject American Studies Literature grade A 1 San Diego State University course Major American Writers language English abstract F Scott Fitzgerald's masterpiece *The Great Gatsby* was written in a time of social decadence in which values no longer played an important role among the warshattered population The Roaring Twenties were shaped by the post war generation and especially by the newly rich and wannabe famous whose life circled around parties money and affairs On the surface Fitzgerald's story seems to be about success money and love thus about the mentioned newly rich Although the superficial life of the rich and powerful is a major theme in *The Great Gatsby* it mostly explores underlying complexities and depths and therefore reveals the other side of the American Dream to the reader Corruption despair and desperate desire come along with idealism faith and illusions The protagonist Jay Gatsby personifies the American Dream as he is a man with a dubious background who managed to accomplish a luxurious style of living and to achieve everything he wanted to have by his own efforts except of his great love that is Daisy *The Great Gatsby* is built upon the desperate desires of the protagonist and reveals a glance behind the glittering facade Fitzgerald manages to draw the reader's attention to significant details and symbols in the text in order to make one think about the so called truths in the story Therefore symbolism plays a major role in *The Great Gatsby* Symbolism is the most powerful device of allowing the reader to gain insight into a character's personality and of revealing hidden ideas values and profundity The most significant symbolism applied in the text is color symbolism In this paper I will concentrate on analyzing Fitzgerald's use of colors as symbols and thus try to expose the meaning of color symbolism on the basis of the most meaningful examples The most prominent colors that can be found throughout the novel are green white gray blue and yellow so I will analyze their symbolic meaning in the following
