THE GREAT GATSBY

Study Guide

CHAPTER SUMMARIES AND ANALYSES

CHAPTER ONE SUMMARY

The first important feature of chapter one is our introduction to the narrator, Nick Carraway. We are given an interesting insight into his character when he tells his father's professional advice: "Whenever you feel like criticizing anyone, just remember that all the people in this world haven't had the advantages that you had." This tells us two things about Nick. One, that he had a comfortable upbringing and feel that he can't judge. A further key indicator of this about himself in this page suggests that Nick not only had a comfortable upbringing but that he is a good family.

Next we are introduced to our other character, Jay Gatsby and Nick says: "Gatsby, who represented everything for which I had no tolerance." Nick's prejudice has taught him to be suspicious of good and obvious seems and as we are to learn Gatsby shows an exact mirror this. The next insight we are given is into the attitude of the era. Nick describes how Jay Gatsby says "It's like 'old money'", this shows us the way that the young men returned from the battlefield only to be welcomed with their money bags. This explains the feeling of isolation that we get through a whole young generation throughout
