*Greed, Rage, and Love Gone Wrong* Bruce Rubenstein, 2006-09-01 Writing about murder mysteries for over twenty five years Bruce Rubenstein gives us a collection of Minnesota crimes in *Greed Rage and Love Gone Wrong* Whether the killer is greedy and devoid of human compassion desperate about money or love or simply filled with bottled up rage this book puts the reader at the scene of the most notorious murders in the state Bruce Rubenstein is a writer who specializes in true crime and legal stories His work has appeared in many publications including City Pages Mpls St Paul Magazine and Chicago Magazine He is the recipient of the Chicago Bar Association's Herman Kogan Media Award Minnesota's Most Notorious Mobster Ron de Beaulieu, 2025-04-15 Ninety percent of what was written about me is bullshit Isadore Blumenfeld aka Kid Cann came to Minnesota as a toddler when his family emigrated from Romania In Prohibition era Minneapolis a city of vast wealth inequality and vicious antisemitism young Isadore rose from impoverished newsboy to millionaire Kid Cann's ruthless determination growing organized crime network and willingness to commit wanton violence ignited his meteoric ascent He got away with innumerable crimes over four decades before a series of relatively minor offenses brought him down Although ravaged by stress and stripped of his social stature the infamous gangster earned a place in the folklore of Minnesota Historian Ron de Beaulieu recounts the saga of the state's most notorious crime boss *Famous Crimes of Minnesota* Michael Burgan, 2013-07-30 Robberies murders kidnappings Minnesota has been home to several notorious crimes Some were committed by infamous lawbreakers the James Younger gang John Dillinger Bonnie Clyde and others But not all misdeeds have been done by career criminals Take a closer look at more than two dozen unlawful acts that rocked Minnesota and often grabbed headlines across the country *American Witness* RJ Smith, 2017-11-07 From the author of the acclaimed James Brown biography *The One* comes the first in depth biography of renowned photographer and filmmaker Robert Frank best known for his landmark book *The Americans* As well known as Robert Frank the photographer is few can say they really know Robert Frank the man Born and raised in wartime Switzerland Frank discovered the power and allure of photography at an early age and quickly learned that the art meant significantly more to him than the money success or fame The art was all and he intended to spend a lifetime pursuing it *American Witness* is the first comprehensive look at the life of a man who's as mysterious and evasive as he is prolific and gifted Leaving his rigid Switzerland for the more fluid United States in 1947 Frank found himself at the red hot social center of bohemian New York in the 50s and 60s becoming friends with everyone from Jack Kerouac Allen Ginsberg and Peter Orlovsky to photographer Walker Evans actor Zero Mostel painter Willem de Kooning filmmaker Jonas Mekas Bob Dylan writer Rudy Wurlitzer jazz musicians Ornette Coleman and Charles Mingus and more Frank roamed the country with his young family taking roughly 27 000 photographs and collecting 83 of them into what is still his most famous work *The Americans* His was an America nobody had seen before and if it was harshly criticized upon publication for its portrait of a divided country the collection gradually grew to be recognized as a transformative American

vision And then he turned his back on certain success giving up photography to reinvent himself as a film and video maker Frank helped found the American independent cinema of the 1960s and made a legendary film with the Rolling Stones Today the nonagenarian is an embodiment of restless creativity and a symbol of what it costs to remain original in America his life defined by never repeating himself never being satisfied American Witness is a portrait of a singular artist and the country that he saw

*Not at All What One Is Used To* Marian Janssen, 2010-12-31 Born in 1915 to one of New England's elite wealthy families Isabella Gardner was expected to follow a certain path in life one that would take her from marriageable debutante to proper society lady But that plan was derailed when at age eighteen Isabella caused a drunk driving accident Her family to shield her from disgrace sent her to Europe for acting studies not foreseeing how life abroad would fan the romantic longings and artistic impulses that would define the rest of Isabella's years In *Not at All What One Is Used To* author Marian Janssen tells the story of this passionate troubled woman whose career as a poet was in constant compromise with her wayward love life and her impulsive and reckless character Life took Gardner from the theater world of the 1930s and 40s to the poetry scene of the 50s and 60s to the wild bohemian art life of New York's Hotel Chelsea in the 70s She often followed where romance rather than career led her At nineteen she had an affair with a future president of Ireland then married and divorced three famous American husbands in succession Turning from acting to poetry Gardner became associate editor of Chicago's Poetry magazine and earned success with her best received collection *Birthdays from the Ocean* in 1955 Soon after her life took a turn when she met the southern poet Allen Tate He was married to Caroline Gordon but left her to wed Gardner who moved to Minneapolis and gave up writing to please him but after a few short years Tate fell for a young nun and abandoned her In the liveliest of places at the right times Gardner associated with many of the most significant cultural figures of her age including her cousin Robert Lowell T S Eliot Ludwig Mies van der Rohe Virgil Thomson Tennessee Williams and Robert Penn Warren But famous connections could never save Isabella from herself Having abandoned her work she suffered through alcoholism endured more failed relationships and watched the lives of her children unravel fatally Toward the end of her life though she took her pen back up for the poems in her final volume *Redeemed* by her writing Gardner died alone in 1981 just after being named the first poet laureate of New York State Through interviews with many Gardner intimates and extensive archival research author Marian Janssen delves deep into the life of a woman whose poetry according to one friend probably saved her sanity Much more than a biography *Not at All What One Is Used To* is the story of a woman whose tumultuous life was emblematic of the cultural unrest at the height of the twentieth century
