

Macbeth Vocabulary

Overview: The following words are found in William Shakespeare's *Macbeth*. You will begin by looking through the word list and circling words that you already know. Next, skim through the play, noting the words in context.

Assignment: You will be responsible for all of the words when we test on this Dec. 19; however, the short-term goal is to "own" a handful of them. There is no need to review ones you already know; however, you will create 3x5 flashcards or Cornell Notes for a minimum of 20 from this list. You should include a context sentence with the definition. These will be collected and then returned in class Dec. 1.

The assignment is worth 20 points.

If you will be absent, it is your responsibility to meet the deadline earlier.
