Il rappelle les grandes lignes de la carrière du jeune ingénieur à l'ENICPA et décrit les épreuves qui jalonnent le chemin de Macky Sall. Aboune Fall dévoile à l'opinion la personnalité d'un combattant courageux qui, face à l'adversité, dévoile son vrai caractère : un homme endurant et déterminé, sûr de la vision qu'il a pour son peuple, et de sa mission.

Constatant que l'industrie textile, qui représentait 40 % du produit intérieur brut de l'Algérie, était en voie de déclin, le régime a encouragé le développement de l'agriculture et de l'industrie, notamment dans le secteur des textiles. Les investissements dans l'industrie ont augmenté de 10 % par an, ce qui a permis de créer de nouvelles entreprises et de développer l'industrie existante.

The Trial of Hissène Habré Celeste Hicks, 2018-04-15 When Hiss ne Habr the deposed dictator of Chad was found guilty of crimes against humanity in 2016 it was described as a watershed for human rights justice in Africa and beyond For the first time an African war criminal had been convicted on African soil Having followed the trial from the very beginning and interviewed many of those involved journalist Celeste Hicks tells the remarkable story of how Habr was brought to justice His conviction followed a heroic 25 year campaign by activists and survivors of Habr s atrocities which succeeded despite international indifference opposition from Habr s allies and several failed attempts to bring him to trial in Europe and elsewhere In the face of such overwhelming odds the conviction of a once untouchable tyrant represents a major turning point with profound implications for African justice and the future of human rights activism globally

Sciences et confréries soufies au Sénégal El Hadji Samba Amadou Diallo, 2022-09-12 L'Islam ouest africain compte plusieurs confréries soufies notamment au Nord-Nigeria au Niger et au Sénégal des pays où la Tijaniyya occupe une place importante dans la sphère publique Dans la première partie de ce livre par une perspective comparatiste utilisant les concepts de démocratie de la cité de domination et de violence l'auteur montre comment ceux-ci sont déployés au niveau local surtout dans le champ politique sénégalais Dans une deuxième partie il s'engage dans un décryptage des relations complexes entre religion et politique dans le Sénégal des deux régimes d'alternance utilisant alors une approche bourdieusienne de la domination Mais des marabouts interviennent aussi pour arrêter les projets de personnalisation du pouvoir central Leur intervention politique sous forme d'appel à la non-violence parvient jusqu'à stabiliser le Sénégal

West African Islam has several Sufi orders particularly in Northern Nigeria Niger and Senegal countries where the Tijaniyya occupies an important place in the public sphere In the first part of this book through a comparative perspective therefore using the concepts of democracy secularism domination and violence the author depicts how these categories are exercised at the local level especially in the political field In the second part he engages in deciphering the complex relations between religion and politics in the so-called alternance regimes between 2000 and 2020 using a Bourdieusian approach to domination But marabouts intervene also to stop the projects of personalization of the central power The author concludes that there is a new form of community democracy that Sufi guides use to politically stabilize Senegal

To Catch a Dictator Reed Brody, 2022-11-15 What does it take to make a dictator answer for his crimes Hissène Habré the former despot of Chad had terrorized tortured and killed on a horrific scale over eight bloody years in power all while enjoying full American and Western support After Habré's overthrow his victims and their supporters were determined to see him held responsible for his atrocities Their quest for justice would be long tense and unnerving but they would not back down To Catch a Dictator is a dramatic insider's account of the hunt for Habré and his momentous trial The human rights lawyer Reed Brody recounts how he and an international team of investigators legal experts and victims worked across

three continents to unearth evidence and witnesses petition courts and skeptical governments and rally public opinion They faced many obstacles and constant threats One of Brody s Chadian colleagues was gravely injured in a bomb attack and another had to seek asylum in the United States Habr fought back bitterly drawing on secret bank accounts and extensive political connections to preserve his life of luxurious exile Yet Brody and his allies ultimately triumphed Habr became the first former head of state to be convicted of crimes against humanity in the courts of another country This fast paced suspenseful book shows that there is nothing inevitable about the impunity that too often protects the powerful and that even the worst tyrants can be brought to justice The book also features a foreword by Jacqueline Moude na the lead lawyer for Hiss ne Habr s victims who received the Right Livelihood Award the alternative Nobel Peace Prize in 2011 **New**
