Living Wellness Today Annette Denton Livingston,2011-07-14 Sit a while and have a cup of hot tea while reading about my lifes journey from having no hope to the fullness of life and years of enjoying family friends and pets Perhaps you will be inspired to carry on with your own healing journey despite seemingly insurmountable obstacles Sometimes just reading about someone who has suffered the throngs of despair and somehow got out of it can be

encouraging In this day and age so many people are being diagnosed with serious problems Have you looked into the face of a doctor who was saying to you Get your affairs in order There is no cure The thought no hope has a way of sinking in and taking one to depths unknown Years before my diagnosis I had already begun a search for something that would make me feel better I started with whole wheat bread and weight programs Later I tried the Reams biological theory of ionization vitamins and minerals and herbs enemas and colonics juicing and green drinks fasting raw foods and wheatgrass Next I tried chiropractic craniosacral therapy ayurvedic medicine massage acupuncture bad tasting teas magnets zappers kombucha tea ma rollers citrine stones music therapy and emotional freedom technique I found that the main therapies that work for me are reflexology qigong a macrobiotic eating plan and lifestyle hypnosis and prayer Do you have a desire to feel better Do you feel like life is passing you by Would you like to have more fullness of life Floating along downstream will only leave us washed up on the bank or swallowed up in the current Remember that there are ways to help ourselves whether we are strong and healthy or whether we have given up There is always hope as long as there is breath *Invasion of the Prostate Snatchers* Ralph Blum, Mark Scholz, 2011 Looks at the effectiveness of the prostatectomy and surveys the latest research in prostate cancer management [Living Vegan For Dummies](#) Alexandra Jamieson, 2009-12-02 The fun and easy way to live a vegan lifestyle Are you thinking about becoming a vegan Already a practicing vegan More than 3 million Americans currently live a vegan lifestyle and that number is growing Living Vegan For Dummies is your one stop resource for understanding vegan practices sharing them with your friends and loved ones and maintaining a vegan way of life This friendly practical guide explains the types of products that vegans abstain from eating and consuming and provides healthy and animal free options You ll see how to create a balanced nutritious vegan diet read food and product labels to determine animal derived product content and stock a vegan pantry You ll also get 40 great tasting recipes to expand your cooking repertoire Features expert guidance in living a vegan lifestyle and explaining it to friends and family Includes proper dietary guidelines so you can get the nutrition you need Gives you several action plans for making the switch to veganism Provides parents with everything they need to understand and support their children s choices With the tips and advice in Living Vegan For Dummies you can truly live and enjoy a vegan way of life **Clean Food for Cancer** Tamaryn Sutherns, 2013-09-01 The World Health Organization estimates that of the 6 million cancer cases diagnosed worldwide each year 3 million are the result of poor diet Having watched loved ones succumb to cancer Clean Food for Cancer is Tamaryn Sutherns attempt to give cancer patients and their families the opportunity to look at some ideas and theories on nutrition and diet so they can make up their own minds about what works for them Thorough research and expert advice from scientists oncologists dieticians and psychologists are interspersed with personal stories from cancer patients and their families many of whom had to sift through masses of information on Google before they came up with personal solutions Their experiences highlight the need for such a resource in today s world of information overload and often conflicting advice After an overview of cancer its types

and causes the book introduces readers to clean eating from the more moderate approaches of eating a balanced diet and avoiding preservatives hormones and other harmful toxins going organic to the more extreme approaches of vegetarianism and veganism One chapter covers the controversy surrounding red meat providing research and findings from both sides of the pasture and another to the fairly new concept for South Africans at least of raw food The book also touches on various alternative holistic therapies such as Ayurveda and Reiki as supplements for the more traditional treatments of chemotherapy surgery and radiation The author is not out to provide a cure or an alternative to medical treatment but rather to encourage patients or anyone at risk of cancer to adopt a diet that promotes good health and that might assist the treatment and recovery processes Food and Intuition 101, Volume 1 Julia Ferre, 2012-05
