Mad As Hell The Life And Work Of Paddy Chayefsky:

Mad as Hell Shaun Considine, 1994 That Paddy Chayefsky was the greatest writer ever to emerge from television's fabled Golden Age is unquestionable But that his work for television theatre and film firmly places him alongside his most heralded contemporaries Arthur Miller William Inge and Tennessee Williams is the compelling thesis of *Mad as Hell The Life and Work of Paddy Chayefsky* by Shaun Considine In Considine's exhaustively researched biography of Chayefsky we examine the formative roots of the only individual screenwriter ever to win three Academy Awards for *Marty* *The Hospital* and *Network* From his boyhood in the Bronx to his tumultuous years in Hollywood Chayefsky emerges here as an ambitious man devoted in his friendships hesitant and shy in romance yet fierce and exacting as a creative force His genius for capturing the American vernacular elicited classic performances by such legends as Bette Davis Kim Stanley and George C Scott and his larger than life personality garnered him close relationships with such varied notables as Laurence Olivier Elizabeth Taylor Kim Novak Bob Fosse and playwright Herb Gardner And for each friendship there also seemed to be a fight Chayefsky's vengeful brawl with Marilyn Monroe and Arthur Miller his tempestuous struggles with Edward G Robinson Burt Lancaster Zero Mostel and Ken Russell and his politically charged hatred for Vanessa Redgrave are just a few of the conflicts detailed here Throughout his fifty eight years Paddy Chayefsky was a man in search of understanding of both himself and his changing world Unhappily a sense of fulfillment and of his own identity would remain beyond his grasp until his final days His hopeful optimism in the 1950s evolved into a resolutely skeptical view of contemporary life as he confronted in his scripts the military the medical and television industries and even man's relationship to God In *Mad as Hell* Shaun Considine gives us at last a full picture of a unique latter century American genius

Mad as Hell Dave Itzkoff, 2014-02-18 The Riveting Story Behind the Iconic Film *Network* and Its Prophetic Vision of Media Power and Society I'm mad as hell and I'm not going to take this anymore Those words spoken by an unhinged anchorman named Howard Beale the mad prophet of the airwaves took America by storm in 1976 when *Network* became a cultural sensation With a superb cast including Faye Dunaway William Holden Peter Finch and Robert Duvall directed by Sidney Lumet the film won four Academy Awards and indelibly shaped how we think about corporate and media power In *Mad As Hell* Dave Itzkoff of *The New York Times* recounts the surprising and dramatic story of how *Network* made it to the screen Such a movie rarely gets made any more one man's independent vision free from studio testing or market research And that man was Paddy Chayefsky the tough driven Oscar winning screenwriter whose outlandish vision is all too real today Itzkoff uses interviews with the cast and crew as well as Chayefsky's notes letters and drafts to re-create the action in front of and behind the camera at a time of swirling cultural turmoil The result is a riveting account that enriches our appreciation of this prophetic and still startling film Itzkoff also speaks with today's leading broadcasters and filmmakers to assess *Network*'s lasting impact on television and popular culture They testify to the

enduring genius of Paddy Chayefsky who foresaw the future and whose life offers an unforgettable lesson about the true cost of self expression **A Study Guide for Paddy Chayefsky's "Marty"** Gale, Cengage Learning, 2016 A Study Guide for Paddy Chayefsky's *Marty* excerpted from Gale's acclaimed *Drama For Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Drama For Students* for all of your research needs **Visions of Belonging** Judith E. Smith, 2004-09-01 *Visions of Belonging* explores how beloved and still remembered family stories *A Tree Grows in Brooklyn* *I Remember Mama* *Gentleman's Agreement* *Death of a Salesman* *Marty* and *A Raisin in the Sun* entered the popular imagination and shaped collective dreams in the postwar years and into the 1950s These stories helped define widely shared conceptions of who counted as representative Americans and who could be recognized as belonging The book listens in as white and black authors and directors readers and viewers reveal divergent emotionally textured and politically charged social visions Their diverse perspectives provide a point of entry into an extraordinary time when the possibilities for social transformation seemed boundless But changes were also fiercely contested especially as the war's culture of unity receded in the resurgence of cold war anticommunism and demands for racial equality were met with intensifying white resistance Judith E Smith traces the cultural trajectory of these family stories as they circulated widely in bestselling paperbacks hit movies and popular drama on stage radio and television *Visions of Belonging* provides unusually close access to a vibrant conversation among white and black Americans about the boundaries between public life and family matters and the meanings of race and ethnicity Would the new appearance of white working class ethnic characters expand Americans' understanding of democracy Would these stories challenge the color line How could these stories simultaneously show that black families belonged to the larger family of the nation while also representing the forms of danger and discriminations that excluded them from full citizenship In the 1940s war driven challenges to racial and ethnic borderlines encouraged hesitant trespass against older notions of normal But by the end of the 1950s the cold war cultural atmosphere discouraged probing of racial and social inequality and ultimately turned family stories into a comforting retreat from politics The book crosses disciplinary boundaries suggesting a novel method for cultural history by probing the social history of literary dramatic and cinematic texts Smith's innovative use of archival research sets authorial intent next to audience reception to show how both contribute to shaping the contested meanings of American belonging *Reginald Rose and the Journey of 12 Angry Men* Phil Rosenzweig, 2021-10-05 Finalist 2021 Wall Award Formerly the Theatre Library Association Award The untold story behind one of America's greatest dramas In early 1957 a low budget black and white movie opened across the United States Consisting of little more than a dozen men arguing in a dingy room it was a failure at the box office and soon faded from view Today *12 Angry Men* is acclaimed as a movie classic revered by the critics beloved by the public and widely performed as a stage play touching audiences around the world It is also a favorite of the legal profession for its portrayal of

ordinary citizens reaching a just verdict and widely taught for its depiction of group dynamics and human relations Few twentieth century American dramatic works have had the acclaim and impact of 12 Angry Men Reginald Rose and the Journey of 12 Angry Men tells two stories the life of a great writer and the journey of his most famous work one that ultimately outshined its author More than any writer in the Golden Age of Television Reginald Rose took up vital social issues of the day from racial prejudice to juvenile delinquency to civil liberties and made them accessible to a wide audience His 1960s series The Defenders was the finest drama of its age and set the standard for legal dramas This book brings Reginald Rose s long and successful career its origins and accomplishments into view at long last By placing 12 Angry Men in its historical and social context the rise of television the blacklist and the struggle for civil rights author Phil Rosenzweig traces the story of this brilliant courtroom drama beginning with the chance experience that inspired Rose to its performance on CBS s Westinghouse Studio One in 1954 to the feature film with Henry Fonda The book describes Sidney Lumet s casting the sudden death of one actor and the contribution of cinematographer Boris Kaufman It explores the various drafts of the drama with characters modified and scenes added and deleted with Rose settling on the shattering climax only days before filming began Drawing on extensive research and brimming with insight this book casts new light on one of America s great dramas and about its author a man of immense talent and courage Author royalties will be donated equally to the Feerick Center for Social Justice at Fordham Law School and the Justice John Paul Stevens Jury Center at Chicago Kent College of Law
