COUNT D ARTIGAS Below this name in a corner of the card the following address was written in lead pencil On board the schooner Ebba anchored off New Berne Pamlico Sound The capital of North Carolina one of the forty four states of the Union at this epoch is the rather important town of Raleigh which is about one hundred and fifty miles in the interior of the province It is owing to its central position that this city has become the seat of the State legislature for there are others that equal and

even surpass it in industrial and commercial importance such as Wilmington Charlotte Fayetteville Edenton Washington Salisbury Tarborough Halifax and New Berne The latter town is situated on estuary of the Neuse River which empties itself into Pamlico Sound a sort of vast maritime lake protected by a natural dyke formed by the isles and islets of the Carolina coast The director of Healthful House could never have imagined why the card should have been sent to him had it not been accompanied by a note from the Count d Artigas soliciting permission to visit the establishment The personage in question hoped that the director would grant his request and announced that he would present himself in the afternoon accompanied by Captain Spade commander of the schooner Ebba
