Grounded in theory and best practices research, this practical text provides teachers with 40 strategies for using fiction and non-fiction trade books to teach in five key content areas: language arts and reading, social studies, mathematics, science, and the arts. Each strategy provides everything a teacher needs to get started: a classroom example that models the strategy, a research-based rationale, relevant content standards, suggested books, reader response questions, and prompts, assessment ideas, examples of how to adapt the strategy for different grade levels (K, 2, 3, 5, and 6, 8), and ideas for differentiating instruction for English language learners and struggling students. Throughout the book, student work samples and classroom vignettes bring the content to life. *How to Reach and Teach All Children Through Balanced Literacy* Sandra F. Rief, Julie A. Heimburge, 2007-08-17 *How to Reach and Teach All Children Through Balanced Literacy* offers you a handbook for teaching literacy to diverse students in grades 3-8. The balanced literacy method combines the best practices of phonics and other skill-based language instruction with the holistic literature-based approach in order to help you teach reading, writing, and speaking in a clear and approachable format. This dynamic resource offers an easily accessible research-based approach to balanced literacy that is grounded in the innovative ideas developed by authors Sandra F. Rief and Julie A. Heimburge. The book includes detailed descriptions of what a balanced literacy classroom looks like and shows how to create a program from the ground up or give your existing program a boost. The book can be used across content areas and is filled with reproducible worksheets, activities, and other handy classroom tools. Some topics covered include: Shared book experiences, Reading aloud, Oral language and vocabulary development, Guided reading for comprehension, Modeled writing, Reading and writing conferences, Book clubs, Content area reading and writing, Ongoing assessments, Enhancing literacy.
