expert walks you through what to do in dozens of scary situations from riding out a tsunami to surviving the fall of civilization. Fast paced and remarkably practical, this latest book from best selling survival expert Tim MacWelch breaks down the odds of your facing dozens of scary situations from the fairly likely getting lost in the woods or mugged on the mean streets for example to the unlikely but terrifying being hit by an asteroid, attacked by zombies or other sci fi worthy scenarios and provides concrete doable strategies for how to improve your odds of survival. Each danger is rated with handy graphics that give an at a glance idea as to how likely it is to befall you, how much you should worry about it happening and how possible it is to increase your odds of survival. And then in the pages that follow he gives practical step by step instructions, tutorials and hints to help you beat the odds and live to tell the tale.
