Good, 2017-11-15 Excerpt from Famous Missionaries of the Reformed Church Because of the recent revival of missionary activity in the Reformed Church we are in danger of forgetting that this candle never went out There were times when it was burning low but it was burning Though its shining was in one of the lower windows of the temple yet its light was none the less steady and the highway along which it shone was so bright that no man needed to stumble therein if he were searching for the Light of Life About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Cunningham,2016-10-16 Excerpt from The Secret of Progress Buckle1 regarded it as clear that militarism and high intellectual development were not compatible till recently many people were prepared to believe that warfare was alien to the interest of civilised peoples and could only occur among half civilised or backward races But this war has shown that these hopes were vain and that the last result of civilisation was not to render war impossible but to give the means of carrying it out on a vastly extended scale The increase of knowledge and of power over nature and the sense of the benefits of intercourse and inter communication have not sufficed to give us any immunity from war About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Pioneer Missionaries of the Church (Classic Reprint)** Charles C. Creegan,2018-02-05 Excerpt from Pioneer Missionaries of the Church The cordial reception which has been given in England as well as America to Great Mission aries which was issued several years ago has led to the preparation of this Volume Since the noble men whose life story is brie y told in these twenty six sketches were nearly all of them founders of missions if not makers of empires the title Pio neer Missionaries Seems the only one which clearly defines the scope of the book If the writer had been so inclined the limits of space would have prevented any embellishment It has not been an easy task to compress the main fea tures of the biography of a great man of whom the world is not worthy into a single Chapter when one longs for two or three hundred pages to tell the thrilling story of toil and sacrifice and triumph Brief as are these sketches it is hoped they may be found to give the leading facts in the career of each of these missionary heroes and that not a few of those who read the book especially among the stu dents in our colleges may be inspired to follow in their train About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      Howrah (Classic Reprint) L.S.S. Guide to Reprints ,2008      Great Missionaries Andrew Thomson,2015-07-19 Excerpt from Great Missionaries A Series of Biographies The Author some few years since delivered in Edinburgh Manchester and Liverpool a lecture bearing the title of this volume containing six short biographical notices of eminent missionaries A wish was then expressed by many who heard the lecture and has often been repeated since that those notices should be enlarged and others added and the present volume is the result of those suggestions While not ignorant that the labours of primitive missionaries present a tempting subject for narration the Author has restricted himself to the toils of modern evangelists both because this gives greater unity to his notices and because even this field is more than ample enough for one volume About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **Mormon Classics** William Alexander Linn,John Taylor,Joseph Fielding Smith,Wilford Woodruff,James E. *Guide to Reprints* Albert James Diaz, 2008      *Ethical and Religious Classics of East and West* A. J. Arberry, S. Radhakrishnan, H. N. Spalding, F. W. Thomas, 2022-07-30 In the belief that all the great religions have similarities that confirm and differences that enrich peoples spiritual outlook on the world the editors inaugurated a series which they hoped would bring out the essential tenets of religion in what they perceived to be an age of doubt The series was originally published in the 1950s and consisted of three kinds of books translations of imaginative devotional and philosophic works with an introduction or commentary reproductions of masterpieces of religious art and background books showing the environment in which this literature and art arose and developed The books overlap each other Both Eastern and Western religious art often illustrates a religious text and many of the books seek the common ground in their cultural view of religion or philosophy

The Literary World , 1895      **The Pan-Anglican Congress, 1908** Pan-Anglican Congress, 1908      **Sarah and her Sisters** Robert D. Stoddard, Jr., 2020-06-18 When newly married Sarah Smith arrived in Beirut in 1834 she was appalled by the ignorance and ill treatment of Arab women and girls Well educated for her times she was not content just to keep house for her missionary husband Rather having taught Mohegan Indians in Connecticut she in her two remaining years opened a small school for girls that began the transformation of education for Arab females Sarah s pioneering venture inspired a series of Protestant sisters married and single to follow in her wake as missionary teachers Leaving loved ones and the comforts of home behind they crossed two perilous seas learned Arabic and against great odds continued her work in elementary and then secondary and higher education Sarah s posthumous memoir was widely read But the stories of her sisters were little known until now Here they are linked in an extraordinary chain of educational achievements despite religious strife civil war epidemics famine isolation and finally a world war pandemic and global depression Regrettably many sisters like Sarah paid the ultimate price and were buried abroad As long as any girls anywhere are denied an education these stories can inspire teachers of girls and advocates for female education worldwide to persevere And hopefully coeds at
