Montana Trivia Janet Spencer,2023-03-21 This fun filled fact filled trivial extravaganza will keep you laughing keep you learning and keep you guessing Trivia Queen Janet Spencer scoured libraries archives and museums for the oddest and most obscure figures facts and fascination she could find The perfect campfire companion Use the book to play a homemade version of Trivial Pursuit™ Keep a copy in your glovebox or put it in your bathroom **Wahb** Ernest Thompson Seton,2015-07-30 First published more than a century ago The Biography of a Grizzly recounts the life of a fictitious bear named Wahb who lived and died in the Greater Yellowstone region This new edition combines Ernest Thompson Seton s classic tale and original illustrations with historical and scientific context for Wahb s story providing a thorough understanding of the setting cultural connections biology and ecology of Seton s best known book By the time The Biography of a Grizzly was published in 1900 grizzly bears had been hunted out of much of their historical range in North America The characterization of Wahb along with Seton s other anthropomorphic tales of American wildlife helped to change public perceptions and promote conservation As editors Jeremy M Johnston and Charles R Preston remind us however Seton s approach to writing about animals put him at the center of the Nature Faker controversy of the early twentieth century when John Burroughs and Theodore Roosevelt among others denounced sentimental representations of wildlife The editors address conservation scientists continuing concerns about inaccurate depictions of nature in popular culture Despite its

anthropomorphism Seton's paradoxical book imparts a good deal of insightful and accurate natural history even as its exaggerations shaped early twentieth century public opinion on conservation in often counterproductive ways By complicating Seton's enthralling tale with scientific observations of grizzly behavior in the wild Johnston and Preston evaluate the story's accuracy and bring the story of Yellowstone grizzlies into the present day Preserving the 1900 edition's original design and illustrations Wahb brings new understanding to an American classic updating the book for current and future generations

The Grizzly in the Driveway Robert Chaney, 2021-01-01 Confronts the unintended consequences of a conservation success story Four decades ago the areas around Yellowstone and Glacier National Parks sheltered the last few hundred surviving grizzlies in the Lower 48 states Protected by the Endangered Species Act their population has surged to more than 1 500 and this burgeoning number of grizzlies now collides with the increasingly populated landscape of the twenty first century American West While humans and bears have long shared space today's grizzlies navigate a shrinking amount of wilderness cars whiz like bullets through their habitats tourists check Facebook to pinpoint locations for a quick selfie with a grizzly and hunters seek trophy prey People too must learn to live and work within a potential predator's territory they have chosen to call home Mixing fast paced storytelling with rich details about the hidden lives of grizzly bears Montana journalist Robert Chaney chronicles the resurgence of this charismatic species against the backdrop of the country's long history with the bear Chaney captures the clash between groups with radically different visions ranchers frustrated at losing livestock environmental advocates hunters and conservation and historic preservation officers of tribal nations Underneath he probes the balance between our demands on nature and our tolerance for risk *Montana Outdoors*, 2001

Sullivan's Promise Joan Johnston, 2019-04-30 Two unforgiving lovers reunite for the sake of their child in this fiery contemporary romance from the New York Times bestselling author of *Surrender* Facing the unexpected consequences of a life altering night of passion with a cowboy she met in a Jackson Hole bar and with her life committed to protecting endangered species Victoria Grayhawk does what she believes is the right thing She hunts down the cowboy seeking his agreement that their baby should be adopted by a loving family Montana rancher Ryan Sullivan has no intention of giving away his own flesh and blood and takes their son to raise himself When Vick realizes what a horrible mistake she's made and wants back into their child's life Rye remains inflexible because once trust is lost there are no second chances until an attack by one of the grizzlies Vick has spent her life protecting changes everything and Rye learns that sometimes love can heal all wounds A riveting story of love passion and forgiveness Fresh Fiction The passionate Westerns in Joan Johnston's Bitter Creek series can be enjoyed together or separately in any order TEXAS BRIDE WYOMING BRIDE MONTANA BRIDE SINFUL SHAMELESS BLACKTHORNE'S BRIDE SULLIVAN'S PROMISE

The Grizzly, Our Greatest Wild Animal Enos A. Mills, 2022-06-03 In *The Grizzly Our Greatest Wild Animal* Enos A. Mills presents an engaging exploration of the grizzly bear intertwining vivid descriptions of the animal with poignant reflections on its natural habitat and ecological significance Mills

employs a narrative style that blends scientific observation with literary artistry capturing the majesty and vulnerability of these magnificent creatures Set against the backdrop of the American wilderness in the early 20th century the book serves not only as a natural history of the grizzly but also as a clarion call for conservation highlighting the profound connections between humans and nature that were becoming increasingly threatened during his time Enos A Mills was a passionate naturalist mountaineer and advocate for the preservation of America s wild spaces His deep rooted affinity for the outdoors and firsthand experiences in the Rocky Mountains shaped his views on wildlife conservation and informed his writings Mills was a key figure in the establishment of Rocky Mountain National Park and his commitment to educating the public about the intrinsic value of nature is evident in this work This book is highly recommended for readers interested in wildlife ecology and the early conservation movement Mills insightful prose and rich observations resonate with both timeless wisdom and urgent relevance making it an essential read for anyone wishing to deepen their understanding of nature and our role in its preservation
