Sports Awards Speech

Good Evening, as my good friend and classmate, John O'Brien, mentioned, my name is Vincent LaFuma and I graduated Cathedral in 2001. When John asked me to give this speech, I admit, I was a bit hesitant. Hesitant because I am not a fan of public speaking, I never have been. I thought about it for a few days. I remembered sitting in the very seats that you are all sitting in tonight. I remembered working hard throughout the year and looking forward to the sports awards dinner. I came to the conclusion that I owed it back to Cathedral to give the speech. For all that Cathedral for me while I was here and since I graduated.

I want to speak to you tonight about being an underdog and being looked at differently by others. Two stereotypes that are almost always associated with being a Cathedral Man. I am going to speak about my family and myself as an example of that and how being a Cathedral man helps you overcome anytime you feel like that underdog, or when you feel like everyone else looks at you differently.

I grew up in Maspeth, Queens. That was where my parents bought their first home and still live in to this day. My parents migrated to New York from Sicily in the early 1970's. Not knowing English, my mother and her sisters attended Long Island City High School while my grandfather worked in the fire proofing union and my grandmother in a garment factory. Not being able to speak the language put them at an immediate disadvantage-Underdogs. They were ridiculed, teased, even abused physically at times, but they never quit. They forged on learning

Gallagher, 2008-09-02 He could do it all beat every opponent except one plaque honoring Ernie Davis in the lobby of Elmira Free Academy Ernie Davis was an All American on the gridiron and a man of integrity off the field A multi sport high school star in Elmira New York Davis went on to Syracuse University where as a sophomore he led his team to an undefeated season and a national championship in 1959 and earned his nickname the Elmira Express Two seasons later

Davis had broken the legendary Jim Brown's rushing records and became the first black athlete to be awarded the Heisman Trophy. The number one pick in the 1962 NFL draft, Davis signed a contract with the Cleveland Browns and appeared to be headed for professional stardom. But Davis never ended up playing in the NFL. He was diagnosed with leukemia during the summer before his rookie season and succumbed to the disease less than a year later. In battling his illness, Davis showed great dignity and courage, inspired the nation, and moved President John F. Kennedy to eulogize him as an outstanding man of great character. An enduring story of a true scholar athlete, *The Express* is a touching, impeccably researched, deeply personal portrait of Ernie Davis and a vivid look at sport in America at the dawn of the Civil Rights era. **Best Sports Stories 1980**

Irving T. Marsh, Edward Ehre, 1980 **Outing; sport, adventure, travel, fiction**, 1884 **Best Sports Stories** Irving T. Marsh, Edward Ehre, 1980 **The Struggle for Canadian Sport** Bruce Kidd, 2017-06-22 Canadian sports were turned on their head during the years between the world wars. The middle class amateur men's organizations which dominated Canadian sports since the mid nineteenth century steadily lost ground, swamped by the rise of consumer culture and badly battered and split by the depression. In *The Struggle for Canadian Sport*, Bruce Kidd illuminates the complex and fractious process that produced the familiar contours of Canadian sport today: the hegemony of continental cartels like the NHL, the enormous ideological power of the media, the shadowed participation of women in sports, and the strong nationalism of the amateur Olympic sports bodies. Kidd focuses on four major Canadian organizations of the interwar period: the Amateur Athletic Union, the Women's Amateur Athletic Federation, the Workers Sport Association, and the National Hockey League. Each of these organizations became focal points of debate and political activity, and they often struggled with each other. Each had a radically different agenda: the AAU sought the making of men and the strengthening of English Canadian nationalism; the WAAF promoted the health and well being of sportswomen; the WSA was a vehicle for socialism; and the NHL was concerned with lucrative spectacles. These national organizations stimulated and steered many of the resources available for sport and contributed significantly to the expansion of opportunities. They enjoyed far more power than other Canadian cultural organizations of the period, and they attempted to manipulate both the direction and philosophy of Canadian athletics. Through their control of the rules and prestigious events, and their countless interventions in the mass media, they shaped the dominant practices and coined the very language with which Canadians discussed what sports should mean. The success and outcome of each group, as well as their confrontations with one another, were crucial in shaping modern Canadian sports. *The Struggle for Canadian Sport* adds to our understanding of the material and social conditions under which people created and elaborated sports, and the contested ideological terrain on which sports were played and interpreted. **Fame to Infamy** David C. Ogden, Joel Nathan Rosen, 2011-02-03 *Fame to Infamy: Race Sport and the Fall from Grace* follows the paths of sports figures who were embraced by the general populace but who, through a variety of circumstances, real or imagined, found themselves falling out of favor. The contributors focus on the roles played by athletes, the media, and fans in describing

how once esteemed popular figures find themselves scorned by the same public that at one time viewed them as heroic laudable or otherwise respectable The book examines a wide range of sports and eras and includes essays on Barry Bonds Kirby Puckett Mike Tyson Mark McGwire and Sammy Sosa Branch Rickey Joe Louis and Max Schmeling Michael Jordan Wilt Chamberlain and Jim Brown as well as an afterword by noted scholar Jack Lule and an introduction by the editors Fame to Infamy is an interdisciplinary volume encompassing numerous approaches in tracing the evolution of each subject's reputation and shifting public image

For the Love of the Game Nancy Barbara Bouchier, 2003 Exploring the complex issues of class and gender relations community building and sport reform this work analyses how local culture shapes the meanings of sport and examines the tensions that exist when athletes and sports teams become important symbols for the community Nancy Bouchier traces the increasing importance of amateur sport to Woodstock and Ingersoll two small nineteenth century Ontario towns revealing its intricate ties to urban boosterism and middle class culture Focusing on civic holiday celebrations the establishment of organized clubs for cricket baseball and lacrosse and the rise of spirited urban sports rivalries Bouchier shows that small town interest in sports was much more than a pale imitation of the sporting life of Canada's major urban centres
