Guilt By Association How Deception And Self Deceit Took America To War:

Guilt by Association Jeffrey R. Gates, 2008-10 The corruption that plagues American politics is traced to an alliance with elites and extremists loyal to the Land of Israel Unable to rid politics of campaign finance corruption the U S finds its security imperiled by those skilled at deceiving America into waging wars for the Zionist state Tracing this corruption to criminal syndicates from the 1920s this book reveals how those skilled at displacing facts with beliefs wield clout from the shadows Both deception and self deceit play critical roles in enabling this criminality to expand its reach on a global scale The book documents how by operating in the realms of politics media academia think tanks and popular culture corruption came to dominate politics as shown by presidential candidates John McCain and Barack Obama From p 4 of cover [The Wandering Who](#) Gilad Atzmon, 2011-09-30 An investigation of Jewish identity politics and Jewish contemporary ideology using both popular culture and scholarly texts Jewish identity is tied up with some of the most difficult and contentious issues of today The purpose in this book is to open many of these issues up for discussion Since Israel defines itself openly as the Jewish State we should ask what the notions of Judaism Jewishness Jewish culture and Jewish ideology stand for Gilad examines the tribal aspects embedded in Jewish secular discourse both Zionist and anti Zionist the holocaust religion the meaning of history and time within the Jewish political discourse the anti Gentile ideologies entangled within different forms of secular Jewish political discourse and even within the Jewish left He questions what it is that leads Diaspora Jews to identify themselves with Israel and affiliate with its politics The devastating state of our world affairs raises an immediate demand for a conceptual shift in our intellectual and philosophical attitude towards politics identity politics and history *Remember the Liberty!* Ernest Gallo, Ronald Kukal, Phillip Nelson, Phillip Tourney, Raymond McGovern, 2017-05-19 One of the most explosive and hidden secrets in U S history one that has never been previously told Remember the Liberty explores how a sitting U S president collaborated with Israeli leaders in the fomentation of a war between them and their Arab neighbors A war that would ensure a victory for Israel and include the acquisition of additional land This book will finally identify the real cause of the vicious attack on a U S Naval ship After the botched plan was executed the ship refused to sink even after being hit by a torpedo leading the attack to be cancelled and a massive cover up invoked Including severe threats for the crewmembers to keep their lips sealed That cover up is barely still in place and completely exposed Written largely by the survivors themselves the truth is finally being told with the real story revealed [Religion, Politics, and Freemasonry: A Violent Attack Against Ancient Africa](#) Kedar Griffo, Michael Berkley, 2011-08-01 This book examines the violent cruel and brutal plagiarism of what has been adopted as the norm The knowledge of Ancient Africa has been plagiarized to place other cultures in a superior state This plagiarism has developed a system of morality hidden behind allegories and symbols We will present our argument backing it with researched information The fight for liberation of the minds bodies spirits and souls is remains in place to give our children a better life **Croatia: Ludwig von Gaj and the Croats are Herrenvolk Goths**
