Why Am I Taller? Dr. Dave Williams, Elizabeth Howell, PhD, 2022-11-01 What happens in space that causes the body to change Learn about life in space from astronauts Is the human body built for Mars NASA s studies on the International Space Station show we need to fix a few things before sending people to the Red Planet Astronauts go into space with good vision and come back needing eyeglasses Cognition and DNA expression could be affected for years And then there s the discomfort of living in a tight space with crewmates depression and separation from the people you love Space doctors are on the case You ll meet the first twin to spend a year in space the woman who racked up three physically challenging spacewalks in between 320 days of confinement and the cosmonaut who was temporarily stranded on space station Mir while the Soviet Union broke up underneath him What are we learning about the human body As astronauts target moon missions and eventual landings on Mars one of the major questions is how the human body will behave in partial gravity How does the human body change on another world as opposed to floating freely in microgravity What can studies on Earth and in space tell us about planetary exploration These questions will be important to the future of space exploration and to related studies of seniors and people with reduced mobility on Earth

Behind The Membership Mike Morrison, Callie Willows, 2019-08-26 In 2017 we launched a new podcast series called Behind the Membership Its aim was to dig deep into the stories of real people running real successful online membership businesses Not to give them a platform to blow their own trumpet but to get to the heart of what made them tick how their journey had unfolded and what insights they d picked up along the way We had the privilege of uncovering some absolute gold in those conversations an incredible wealth of insight and experience that was just too valuable to leave languishing in the archives of the podcast so we ve compiled the biggest takeaways into this book These are real people real memberships real stories Enjoy

You're a caring mother of boys, part of the boy mom phenomenon. Now learn how to raise your son to be compassionate, empathetic and emotionally intelligent with this parenting guide made just for you. Raising a boy, also known as being a boy mom, is tough in today's culture. We want our sons to grow into strong men who will stand up for what's right and take care of those they love, but we also want them to share their thoughts, show their feelings and express emotions in appropriate ways. At its core, we need to teach our boys empathy. That's where emotional intelligence comes in. Boys need to understand what they're feeling in any given situation and be able to regulate themselves accordingly. In this first-ever book combining emotional intelligence with parenting specific to boys, boy moms will learn how to help their sons identify and name their emotions, develop empathetic listening skills, nurture positive and lasting relationships with others, tackle life with a growth mindset, use strategies like mindfulness to regulate their emotions. With *Raising Resilient Sons*, parents will be equipped with the tools they need to build up their sons into the men they know they can be: men who look for the good, spread kindness, react with empathy and lead with strength and resilience.
