Habitat For Humanity Building Private Homes Building Public Religion:

Habitat for Humanity Jerome P. Baggett, 2001 Habitat for humanity is an American house building ministry founded by evangelical Christians it has constructed 85 000 homes using volunteers Baggett tells the story of its development and argues that it is a particular social form of religion a paradenominational organization

Encyclopedia of Religious and Spiritual Development Elizabeth M. Dowling, W. George Scarlett, 2006 Focuses on the developmental process of religion and spirituality across the human life span This encyclopedia joins a recent trend in research and scholarship aimed at better understanding the similarities and differences between world religions and spiritualities between expressions of the divine and between experiences of the transcendent

Charitable Choices John P. Bartkowski, Helen A. Regis, 2003-02-01 Congregations and faith based organizations have become key participants in America's welfare revolution Recent legislation has expanded the social welfare role of religious communities thus revealing a pervasive lack of faith in purely economic responses to poverty Charitable Choices is an ethnographic study of faith based poverty relief in 30 congregations in the rural south Drawing on in depth interviews and fieldwork in Mississippi faith communities it examines how religious conviction and racial dynamics shape congregational benevolence Mississippi has long had the nation's highest poverty rate and was the first state to implement a faith based welfare reform initiative The book provides a grounded and even handed treatment of congregational poverty relief rather than abstract theory on faith based initiatives The volume examines how congregations are coping with national developments in social welfare policy and reveals the strategies that religious communities utilize to fight poverty in their local communities By giving particular attention to the influence of theological convictions and organizational dynamics on religious service provision it identifies both the prospects and pitfalls likely to result from the expansion of charitable choice

After the Baby Boomers Robert Wuthnow, 2010-02-22 Much has been written about the profound impact the post World War II baby boomers had on American religion But the lifestyles and beliefs of the generation that has followed and the influence these younger Americans in their twenties and thirties are having on the face of religion are not so well understood It is this next wave of post boomers that Robert Wuthnow examines in this illuminating book What are their churchgoing habits and spiritual interests and needs How does their faith affect their families their communities and their politics Interpreting new evidence from scores of in depth interviews and surveys Wuthnow reveals a generation of younger adults who unlike the baby boomers that preceded them are taking their time establishing themselves in careers getting married starting families of their own and settling down resulting in an estimated six million fewer regular churchgoers He shows how the recent growth in evangelicalism is tapering off and traces how biblical literalism while still popular is becoming less dogmatic and more preoccupied with practical guidance At the same time Wuthnow explains how conflicts between religious liberals and conservatives continue including among new immigrant groups such as Hispanics and Asians and how in the absence of institutional support many post boomers have taken a more

individualistic improvised approach to spirituality Wuthnow's fascinating analysis also explores the impacts of the Internet and so called virtual churches and the appeal of megachurches After the Baby Boomers offers us a tantalizing look at the future of American religion for decades to come

Catholic Activism Today Maureen K. Day, 2020-06-09 Uncovers why Catholic organizations fail to foster civic activism The American Catholic Church boasts a long history of teaching and activism on issues of social justice In the face of declining religious and community involvement in the twenty first century many modern day Catholic groups aspire to revive the faith as well as their connections to the larger world Yet while thousands attend weekly meetings designed to instill religiosity and a commitment to civic engagement these programs often fail to achieve their more large scale goals In *Catholic Activism Today* Maureen K Day sheds light on the impediments to successfully enacting social change She argues that popular organizations such as JustFaith Ministries have embraced an approach to civic engagement that focuses on mobilizing Catholics as individuals rather than as collectives There is reason to think this approach is effective these organizations experience robust participation in their programs and garner reports of having had a transformative effect on their participants lives Yet Day shows that this approach encourages participants to make personal lifestyle changes rather than contend with structural social inequalities thus failing to make real inroads in the pursuit of social justice Moreover the focus on the individual serves to undermine the institutional authority of the Catholic Church itself shifting American Catholics perceptions of the Church from a hierarchy that controls the laity to one that simply influences it as they pursue their individual paths Drawing on three years of interview survey and participant observation data *Catholic Activism Today* offers a compelling new take on contemporary dynamics of Catholic civic engagement and its potential effect on the Church at large

The Limits of Voluntarism Andrew J. F. Morris, 2009 This book examines the new relationship between charity and welfare in the era following the New Deal

Just Love Ann Mongoven, 2009-07-13 Once upon a time civic virtue described an ethic of political involvement for all citizens As American democracy evolved however the public and private spheres separated The latter became domesticated and disengaged from public life by an ideology based on gender and a disinterested love of neighbor Private passion was to be isolated from public reason private love from public justice But it need not be so Drawing on examples of ordinary heroes Ann Mongoven argues for a transformed civic virtue that articulates just love passionate care for fellow citizens as such By connecting theory to practice Mongoven dramatizes the challenges raised through tangible political examples and lets ordinary heroes suggest the path toward civic renewal

American Parishes Gary J. Adler, Tricia C. Bruce, Brian Starks, 2019-07-02 Parishes are the missing middle in studies of American Catholicism Between individual Catholics and a global institution the thousands of local parishes are where Catholicism gets remade *American Parishes* showcases what social forces shape parishes what parishes do how they do it and what this says about the future of Catholicism in the United States Expounding an embedded field approach this book displays the numerous forces currently reshaping American parishes It draws from sociology of

religion culture organizations and race to illuminate basic parish processes like leadership and education and ongoing parish struggles like conflict and multiculturalism American Parishes brings together contemporary data methods and questions to establish a sociological re engagement with Catholic parishes and a Catholic re engagement with sociological analysis Contributions by leading social scientists highlight how community geography and authority intersect within parishes It illuminates and analyzes how growing racial diversity an aging religious population and neighborhood change affect the inner workings of parishes Contributors Gary J Adler Jr Nancy Ammerman Mary Jo Bane Tricia C Bruce John A Coleman S J Kathleen Garces Foley Mary Gray Brett Hoover Courtney Ann Irby Tia Noelle Pratt and Brian Starks *Sense of the Faithful* Jerome P. Baggett,2009 For this work Jerome Baggett conducted 300 intensive interviews with members of six parishes to explore all aspects about whether American Catholics are really so nonchalant about how they integrate the ancient devotional practices of Catholicism with the everyday struggles of the modern world *Living Faithfully in an Unjust World* Melissa L. Caldwell,2017 What does it mean to be a compassionate caring person in Russia which has become a country of stark income inequalities and political restrictions How might ethics and practices of kindness constitute a mode of civic participation in which doing good helping caring for and loving one another in a world marked by many problems and few easy solutions is a necessary part of being an active citizen *Living Faithfully in an Unjust World* explores how following the retreat of the Russian state from social welfare services Russians efforts to do the right thing for their communities have forged new modes of social justice and civic engagement Through vivid ethnography based on twenty years of research within a thriving Moscow based network of religious and secular charitable service providers Melissa L Caldwell examines how community members care for a broad range of Russia s population in Moscow and beyond through programs that range from basic health services to human rights advocacy As the experiences of assistance workers government officials recipients and supporters reveal their work and beliefs are shaped by a practical philosophy of goodness and kindness Despite the hardships these individuals witness on a regular basis there is a pervasive sense of optimism that human kindness will prevail over poverty injury and injustice Ultimately what connects members of this diverse group is a shared belief that caring for others is not simply a practical matter or an idealistic vision but a project of faith and hope Together care seekers and care givers destabilize and remake the meaning of faith and faith based by putting into practice a vision of humanitarianism that transcends the boundaries between state and private religious and secular **Handbook of Religion and Social Institutions** Helen Rose Ebaugh,2007-10-23 Handbook for Religion and Social Institutions is written for sociologists who study a variety of sub disciplines and are interested in recent studies and theoretical approaches that relate religious variables to their particular area of interest The handbook focuses on several major themes Social Institutions such as Politics Economics Education Health and Social Welfare Family and the Life Cycle Inequality Social Control Culture Religion as a Social Institution and in a Global Perspective This handbook will be of interest to social scientists including sociologists

anthropologists political scientists and other researchers whose study brings them in contact with the study of religion and its impact on social institutions

Religion, Globalization and Culture Peter Beyer, Lori Gail Beaman, 2007 The topic of religion and globalization is complex susceptible to a great variety of approaches This book combines contributions from many authors who examine a wide range of subjects ranging from overall theoretical considerations to detailed regional perspectives No single understanding of either religion or globalization is privileged

The Oxford Handbook of Christian Fundamentalism, 2023-10-26 Christian fundamentalism is a significant global movement which originally took its name from The Fundamentals a series of booklets defending classic evangelical doctrines published in the 1910s The Oxford Handbook of Christian Fundamentalism traces the roots of fundamentalism from the late nineteenth century and explores the development of the movement up to the present day Since its inception fundamentalism has proved a highly contested category By some the label is recognised as a badge of honour by others a term of abuse This volume does not offer a simple definition of fundamentalism Rather it acknowledges its many interpretative and definitional complexities and allows multiple identities to jostle together under the fundamentalist label The boundaries are porous between fundamentalism and conservative evangelicalism so the Handbook includes analysis of some conservative expressions of Christianity which show fundamentalist characteristics even in groups which refuse to define themselves as fundamentalist The relationship of fundamentalism to Pentecostalism and charismatic renewal is also explored in detail Research led chapters cover significant historical developments key doctrines such as biblical inerrancy creationism and separatism and an extensive range of moral and cultural issues to which the contribution of fundamentalism has been significant including popular music alcohol sport and family life Contributors also chart the evolution of the movement globally far beyond its North Atlantic origins Recognising the prominence of fundamentalism beyond the Church the Handbook explores its contribution to public debates concerning political influence education human genetics civil rights business global warming sexuality Israel and the Middle East the shaping of contemporary culture and much else Christian fundamentalism this Handbook ultimately shows is one of the most significant movements operating in today's world

Habitat for Humanity Jerome P. Baggett, 2000 Habitat for humanity is an American house building ministry founded by evangelical Christians it has constructed 85 000 homes using volunteers Baggett tells the story of its development and argues that it is a particular social form of religion a paradenominational organization

Roots in the Cotton Patch Kirk Lyman-Barner, Cori Lyman-Barner, 2014-07-11 In honor of what would have been Clarence Jordan's one hundredth birthday and the seventieth anniversary of Koinonia Farm the first Clarence Jordan Symposium convened in historic Sumter County Georgia in 2012 gathering theologians historians actors and activists in civil rights housing agriculture and fair trade businesses to celebrate a remarkable individual and his continuing influence Clarence Jordan 1912-1969 a farmer and New Testament Greek scholar was the author of the Cotton Patch versions of the New Testament and the founder of Koinonia Farm a small but influential

religious community in southwest Georgia Roots in the Cotton Patch Volume 1 contains Symposium presentations addressing Clarence's influence as a storyteller and contextual preacher and prophet his pacifist witness in a violent and segregated South and the contemporary meaning of his life's work in Christian community Uniting these powerful essays is the obvious impact Jordan's life has had on so many His life and work continue to inspire a new generation of activists seminary students and people in search of the meaning of Christian community

We're Still Here Ya Bastards Roberta Brandes

Gratz,2015-06-09 The aftermath of Hurricane Katrina is one of the darkest chapters in American history The storm caused unprecedented destruction and a toxic combination of government neglect and socioeconomic inequality turned a crisis into a tragedy But among the rubble there is hope We're Still Here Ya Bastards presents an extraordinary panoramic look at New Orleans's revival in the years following the hurricane Award winning journalist Roberta Brandes Gratz shares the stories of people who returned to their homes and have taken the rebuilding of their city into their own hands She shows how the city from the Lower Ninth Ward to the storied French Quarter to Bayou Bienvenue is recovering despite flawed governmental policies that promote disaster capitalism rather than the public good While tracing positive trends Gratz also investigates the most fiercely debated issues and challenges facing the city a violent and corrupt prison system the tragic closing of Charity Hospital the future of public education and the rise of gentrification By telling stories that are often ignored by the mainstream media We're Still Here Ya Bastards shows the strength and resilience of a community that continues to work to rebuild New Orleans and reveals what Katrina couldn't destroy the vibrant culture epic history and unwavering pride of one of the greatest cities in America

Cultural Catholics Maureen K. Day,2024-10-15

Over half of self-identified Catholics are regularly absent from the pews on Sunday How do these cultural Catholics practice their faith and how can we better minister to them Who are cultural Catholics and how do we connect with them Written by award winning sociologist and professor of religion Maureen K Day Cultural Catholics tells the story of those who consider themselves Catholic but infrequently attend Mass This accessible book examines cultural Catholics on a range of topics allowing readers to come to a better understanding of this group and offers ministerial insights for connecting with and accompanying them on their spiritual journeys Cultural Catholics comprise just over half of self-identified Catholics in the United States Typical efforts or questions of outreach come from parishes but because most cultural Catholics are loosely tethered to parish life the standard avenues of Catholic ministry do not reach them in any reliable way Using a nationally representative survey of more than 1 500 American Catholics as well as insights from ministry leaders this book allows readers to see the differences and similarities in how cultural Catholics relate to their faith compared to Catholics in the pews It also explores cultural Catholics' religious beliefs and practices political and civic commitments parish experiences and concludes with concrete evidence based pastoral approaches
