Lake Biwa: Interactions between Nature and People Hiroya Kawanabe, Machiko Nishino, Masayoshi Maehata, 2020-08-25 Although the first edition had a similar focus more than five years have passed since its publication and the biological and social circumstances of the lake have drastically changed due to for example the further expansion of alien species the decrease of indigenous species the progress of integrated watershed management by the Union of the Kansai Government which was established in 2010 the legislation of the Conservation and Restoration Act of Lake Biwa in 2015 and more The new edition will therefore feature updated and new information on the above and more topics as well as updated and revised data based on the latest research Inventories of respective taxa especially those of small animals are also revised based on the latest studies Furthermore this volume covers the characteristics of the biota of this ancient lake but at the same time it will also approach it as a culture ancient lake Other topics also include water pollution lakeshore development the effects of global warming in the past and present the influence of people and countermeasures by local and national governments Moreover the volume also provides a comprehensive view on the future of Lake Biwa and that of its residents Miraculously enough this ancient lake has kept its water quality clear even until today despite the fact of more than 14 million people living on its shores Finally the book also gives indispensable information to those engaged in improving and conserving water regimes of lakes and other water bodies all over the world and to those interested in the culture and history of Japan Lake Biwa is not only one of the rarest ancient lakes of the world but the people s involvement with the lake also goes back a long way This is shown in the diverse culture developed in this area and in the various archaeological finds that date back as early as the Jomon Period nearly 10 000 years ago Today Lake Biwa fulfills an important role as a water resource by providing domestic commercial industrial and agricultural water for over 14 million residents living around the Lake Biwa Yodo River

drainage basin This updated volume focuses on the geological and biological features of the lake as well as on the long term interactions between the people and the lake

The Poetry of Nature John T. Carpenter, Midori Oka, 2018-02-26 With a shared reverence for the arts of Japan T Richard Fishbein and his wife Estelle P Bender assembled an outstanding and diverse collection of paintings of the Edo period 1615 1868 The Poetry of Nature offers an in depth look at more than forty works from their collection that together trace the development of the major schools and movements of the era Rinpa Nanga Zen Maruyama Shij and Ukiyo e from their roots in Heian court culture and the Kano and Tosa artistic lineages that preceded them Insightful essays by John T Carpenter and Midori Oka reveal a unifying theme the celebration of the natural world expressed in varied forms from the bold graphic manner of Rinpa to the muted sensitivity of Nanga Lavishly illustrated these works draw particular focus to the unique intertwinement of poetry and the pictorial arts that is fundamental to the Japanese tradition In addition to providing new readings and translations of Japanese and Chinese poems The Poetry of Nature sheds new light on the ways in which Edo artists used verse to transform their paintings into a hybrid literary and visual art p p1

Haiku on my mind Yuukishoumi Tetsuwankou Kouseifukuya, 2015-07-14 A haiku is more than just a poem A haiku is the embodiment of one deep thought The old Japanese tradition of haiku speaks of these verses as art Difficult to construct and meaningful to utter The most important line due to tradition is the last line The last line is supposed to give us a clue about the subject the poets mind was pondering What moved the poets heart should move the heart of the listener as well Haiku was a spoken art and became a written art later as history tells us Poetry is not the only genre Y T K writes short story and graphic novel hold the authors interest as well You can buy Ebooks of Yuukishoumi Tetsuwankou Kouseifukuya at bod and smashwords and their retailers You can also visit the blog <https://yuukishoumikouseifukuya.wordpress.com>

When Wings Become Sound Bunny McBride, 2021-01-10 This almanac a collection of haiku and full color pictures penned and photographed in Maine tracks the weather along with observations and insights that bring meaning to every day of the year It serves as a perpetual calendar and daily devotional Wide margins make it usable as a birthday calendar a place to jot down brief musings or even as a concise day planner

agenda The almanac grew out of a decision to venture outside daily for a full year to photograph whatever most seized my attention and to reflect upon it through haiku a form of poetry that originated in Japan in the 1600s I vowed to do this in every sort of weather no matter how cold hot wet or windy it might be The poems and images came into focus during kayak or canoe outings in tidal waters and hikes through forests fields and shorelands on and just beyond the small peninsula where I live No fancy equipment just my iPhone8 and a desire to inhabit nature and drink in what she had to say every day for an entire year Soon after I began these daily pilgrimages covid 19 upended the world and urged many of my haiku toward prayer yearnings affirmations devotions and moments of sacred seeing and holy humor set within a classic format of seventeen syllables in lines of 5 7 5 I fell in love with the brevity of haiku with the demand to distill meaningful observations and insights into a small handful of words And I relished formatting my camera on square to record in one small photograph whatever most moved me on a particular day Working within the confines of these structures forced me to see and think in new ways It grew my species vocabulary even as it shrank my word count It pushed me to reach deep when I couldn't go wide It diminished distraction and fostered focus Perhaps more than anything it gave me a sense of being utterly present within a greater Presence With each haiku I experienced a kind of reorientation of being as if the center were shifting from myself or whatever I was observing to the Life force that connects everything and everyone I offer it to readers in the hope that it inspires you to go haiku gathering wherever you abide be it on the edge of wilderness in the countryside suburbia or among city pigeons and sparrows
