American Civilization Portrayed in Ancient Confucianism Wei-Bin Zhang, 2003 Scholars have analyzed Chinese society in the light of contemporary Western social and natural sciences for centuries This compact volume turns the tables and opens tantalizing new perspectives on the American civilization by examining it through the lens of ancient Confucianism The current work invites Americans to step through the looking glass backwards this time and view ourselves from a Confucian perspective In his analysis Zhang draws together references to the I Ching Leibniz Tocqueville Lipset and Aristotle a judicious few statistics such as crime rate and economic growth and the lions of Chinese philosophy Chapter 1 The American Civilization and Ancient Confucianism in Open Society Chapter 2 All Men Are Created Equal Versus All Men Are Born Equal Chapter 3 Democracy and Law Chapter 4 Education and Knowledge Chapter 5 Economic Freedom and Development Chapter 6 The American Universalism and Rational Civilizations in the Future

Immigration and Crime Ramiro Martínez (Jr.), Abel Valenzuela (Jr.), 2006-07 The papers in this collection assess contemporary patterns of crime as related to immigration race and ethnicity Overall the contributors argue that fears of immigrant crime are largely unfounded

as immigrants are themselves often more likely to be the victims of discrimination stigmatization and crime **Color behind Bars** Scott W. Bowman, 2014-08-11 A diverse critical analysis of racial and ethnic disparities within the American criminal justice system that encourages critical thinking by providing various sides to the issues Low income African Americans Latin Americans and American Indians bear the statistical brunt of policing death penalty verdicts and sentencing disparities in the United States Why does this long standing inequity exist in a country where schoolchildren are taught to expect justice for all The original essays in this two volume set not only examine the deep rooted issues and lay out theories as to why racism remains a problem in our prison system but they also provide potential solutions to the problem The work gives a broad multicultural overview of the history of overrepresentation of ethnic minorities in our prison system examining white black disparities as well as racism and issues of ethnic based discrimination concerning other ethnic minorities This up to date resource is ideally suited for undergraduate students who are enrolled in criminal justice or racial ethnic studies classes and general readers interested in the U S criminal justice system *Rise Up, O Men of God* L. Dean Allen, 2002 L Dean Allen analyzes both groups constructions of masculinity and social ethics in relation to the family the church and a prominent social issue Evangelical Christian leaders designed both organizations in response to their alarm at men s absence from evangelical churches and they sought to increase men s participation in churches and to improve society as a whole by their efforts Each group faced important social changes during its era such as new economic realities women s activities and perceived moral crises Despite their similarities as groups for evangelical Christian men only MRFM and PK developed contrasting constructions of masculinity and divergent social ethical calls for action **BOOK JACKET** [Baseball and the American Dream](#) Robert Elias, 2016-04-15 A fascinating look at how America s favorite sport has both reflected and shaped social economic and **The Victims' Revolution** Bruce Bawer, 2023-03-14 Gender ideology The anti racism craze The MeToo movement Sanctuary cities These are among the building blocks of our new woke world which during the last few years seemed to explode out of nowhere But it didn t emerge from nowhere It originated on the campuses of some of our most respected colleges and universities Over the past several decades more and more faculty members at those institutions have exchanged humanism for radicalism Rejecting the search for truth they ve become purveyors of ideology They re no longer teachers but propagandists once devoted to the spread of knowledge they now focus on power dynamics seeing oppression everywhere and viewing everyone around them through the lens of group identity Among the most egregious consequences of this intellectual transformation has been the increasing prominence and power of disciplines called identity studies among them Women s Studies Black Studies Queer Studies and even more recently Fat Studies and Whiteness Studies In *The Victims Revolution* Bruce Bawer gives us the first true history of this phenomenon He takes us on a tour of the campuses classrooms and conferences where we see and hear professors proudly pushing these new orthodoxies On every page we can observe the origins of the virus that in the past decade has escaped from the ivory tower and infected the whole

Western world **Godly Love** Matthew T. Lee, Amos Yong, 2012-03-01 Godly Love Impediments and Possibilities examines the theory of Godly Love understood as including a vertical axis denoting the love of God and a horizontal axis involving the love of others is at the core of a new field of research that studies how divine love influences the love of others and vice versa It is a multidisciplinary research program into the benevolent expressions of the Great Commandment of the Christian tradition involving the theological and social sciences Theological and social scientific essays that ask why there is not more Godly Love in this world and what might be done to change the situation This book focuses on the problems confronting challenging prohibiting and perhaps even resisting the concrete expression of Godly Love in the world utilizing a range of theological and especially social scientific methodologies The Sociology of Gender Laura Kramer, Ann Beutel, 2015 An ideal essentials text for introductory courses The Sociology of Gender Fourth Edition provides a concise yet also in depth overview of basic sociological concepts and perspectives on gender Focusing primarily on the contemporary U S Laura Kramer and new coauthor Ann Beutel integrate history theory and research in order to examine the current gender system and the ways in which macro middle and micro level societal forces have changed that system over time In addition this book s explicitly sociological approach provides an alternative to and critiques of prevailing biological and psychological approaches to gender and sexual orientation New to this Edition Revised and updated with the most current research Includes more material on gender outside of the United States Offers expanded coverage of contemporary issues related to mass media adolescence sexuality and the body Provides more photos to add visual appeal *Human Rights and Conflict Transformation in Africa* Lawrence Juma, Laurence Juma, 2013 This study maps the interactions between human rights norms and values on the one hand and conflict resolution post conflict peace building and reconstruction on the other It advances the view both from a theoretical and practical standpoint that human rights have a role to play throughout the life of any conflict from the pre conflict to the post conflict and reconstruction stages Identifying entry points for human rights in the pre conflict stage leading up to the establishment of the rule of law and societal reconstruction after the conflict this book uses Sierra Leone and Democratic Republic of Congo experiences to illustrate the obstacles the successes and the significance of human rights norms to the overall peace agenda in societies afflicted by conflict Toward a Healthy Society Milton Fisk, 2000 Ideally the public fund behind this insurance would be derived from a progressive income tax BOOK JACKET *Economic Growth with Income and Wealth Distribution* W. Zhang, 2006-06-28 The book deals with economic issues related to income and wealth among individuals regions and countries It presents a general theory with endogenous capital knowledge and preference changes for an economic system with heterogeneous households multiple sectors multiple regions and multiple countries Violence as Seen Through a Prism of Color Letha A See, 2018-12-20 So many parts of society target citizens of color for violence what can be done Violence as Seen Through a Prism of Color examines violence from a structural perspective including violence in prisons schools and colleges churches homes and within political

corporate structures This unique hard hitting book argues that individual violence stems from the structure of our society and its institutions Most of the contributors are African American educators and practitioners who have a thorough understanding of structural violence Some have experienced political violence others have expert knowledge of structural violence within the criminal justice system educational institutions and elsewhere even in churches and homes Their writings are undeniably unflinchingly authentic it is impossible not to be moved and enraged by what they have to say The good news is that in addition to calling attention to the structural violence in our society they provide excellent insights on how the situation might be resolved Violence as Seen Through a Prism of Color shows that much of the violence within the criminal justice system stems from decisions made at the highest levels of government that minority offenders are much more frequently convicted and more harshly sentenced than their white counterparts how cultural racism contributes to the construction of motives for lynching hate crime and police violence against Americans of color such as Abner Louima Amadou Diallo and Rodney King how the judicial system encourages black on black violence by neglecting to halt criminal activities in non white neighborhoods how in the words of Mahatma Gandhi Poverty is the worst form of violence You ll also learn how corporations are amassing great wealth through privatizing prisons and conscripting the labor of non violent African American prisoners how racial profiling affects people of color how the media has exploited black men imprisoned for minor drug offenses how and why violence occurs in and against the black church Helpful charts and tables like one that names the corporations that use prison labor supplement the material you ll be surprised at what you learn Extensive references are included at the end of each chapter

Crime, Inequality and Power Eileen B. Leonard, 2015-04-10 Crime Inequality and Power challenges the dominant definitions of crime and the criminal through its uniquely comparative approach In this book Eileen Leonard analyzes multiple forms of criminal behavior in the United States including violence sexual assault theft and drug law violations whilst also asking readers to consider the parallels between crimes that are rarely thought comparable Leonard s juxtaposition of familiar street crimes such as car theft alongside large scale corporate theft vividly exposes profound inequalities in the way crime is defined and the treatment it receives within the criminal justice system Leonard s analysis also reveals the underlying inequalities of race class and gender which enable the perpetuation of such crimes as well as calling into question the reality of fundamental American ideals of fairness and equal justice Moreover the book questions whether current policies that punish street crime excessively while minimizing the crimes of the powerful fail to keep the public safe A broader consideration of crime and the inequalities that underlie it offers a fresh opportunity to rethink public policies and enduring issues of crime and criminal justice Challenging the many persistent inequalities in the perception of and response to crime this critique of American crime and punishment will be of interest to undergraduate and postgraduate students as well as scholars in the fields of criminology sociology and law
