accidental encounter in Victorian London threatens not just the Court of Crows sanctioned assassination Callie and I are on but also the love between us Have my feelings for Callie merely been implanted in me by the Court so they could blackmail me into being their killer How can I discover the truth when reality is whatever the Court decides *Trilogy* Sadie Swift, The Court of Crows is not something you want to experience more than once But you have no choice if they want something from you You have no say about where they send you or even when they send you Do the job they give you and hope they bring you back Life would be far sweeter if the Court left Callie and me alone Contains Blackmailed Assassin Black

Fragments and Splinters **Curse of the Venturer** Sadie Swift, After the unfortunate destruction of a safe house and probably a village as well high in the Snowdonia mountains Sir Percival Glenys and I are in Rhyl the Brighton of the North Wales coast For the first time I can remember my bright pink hair is not a topic of conversation as Rhyl's inhabitants both male and female are undergoing a fad of sporting brightly coloured hair of their own But underneath the sensuous skies and romantic gaslight of the town strange things are happening people are disappearing and reappearing in daguerreotype images with a horrified look upon their faces Unfortunately this means my application to join the Rhyl Ladies Library one of the many Associations within the town is put on hold until I solve this most inexplicable mystery With the help from the mysterious Esmerelda and the delightful Penelope I must survive strange and deadly places to discover the link between hair colour and the disappearances before the Men of the Cog arrive or I shall never be allowed to join the Rhyl Ladies Library I can only hope that the saying is true what happens in Rhyl stays in Rhyl *Snow Beast* Sadie Swift, After arriving back in

Britain from Venice Sir Percival and I are sent into hiding by the secret Government Department we work for Rumours have reached them that our lives are in even more danger from the Men of the Cog after destroying their experimental cold aether apparatus The secret house we are sent to is located in a remote village in the midst of the Snowdonia mountains of North Wales In this splendid isolation Sir Percival has been instructed to recreate from his memory the machinery we most recently destroyed However mysterious violent deaths plague the village for which we receive the blame as our arrival apparently woke the monster But the reality is far more inexplicable than we'd ever imagined **Mr Tok** Sadie Swift, 2016-04-23 A murderous attack at Queen Victoria's Annual Inventor's Exhibition is the latest in a series by the mysterious Mr Tok Because of the danger posed to Her Majesty the Government is on high alert The secret Department Sir Percival connoisseur of Cossack Horserider Weekly and I Miss Alice Lovelady seeker after Sapphic love work for inform us we must forego further

aetheric experimentation and put a stop to Mr Tok s homicidal activities But even with the aid of the dour Departmental liaison can we also prevail against the offensive capabilities of flightless birds      **Crystal Lady** Sadie Swift, Working on a remote highland farm is all very well for rest and recuperation and weapon making without even mentioning the cows wiping their noses upon me but there comes a time when a girl just has to dance with other girls At least that was my plan when Sir Percival and I visited Darkbridge Manor What I hadn t counted on was discovering an aetheric marvel the most dangerous woman in the world which fair put the kibosh on my evening s entertainment I can tell you and a Bronze age puzzle that required solving or even more death and destruction would occur Life would be so much better if I hadn t found that dratted metal figure in the stream      *Opener of the Ways* Sadie swift, Sent on the first available flight out of Britain to avoid questions concerning the destruction of a certain Russian airship Sir Percival and I find ourselves in Egypt the land of very large very strange structures Not having travelled overseas before I m determined to enjoy the experience but find myself having visions of strange beings females worshipping me and my violent death What do they mean And what must I do to prevent my dream death from becoming reality      *The Caspian Star* Sadie Swift, A new age of peace is ushered in by the inaugural visit to Britain of the Russian royal family in their state airship the Czar Nicholas Sir Percival plus guest me has been invited to the occasion and I look forward to viewing the ship s interior designed by Gustav Faberge using rumour has it at least two fortunes in gold and gems as well as the world s largest sapphire the Caspian Star Sir Percival is looking forward to viewing certain other things However during the visit we discover that all is most certainly not well with the Russian royal family and find our lives threatened at every turn after uncovering a dastardly plot against Queen Victoria But trapped on an airship flying high above London how can we prevent an ancient horror from being unleashed upon Her Majesty

Vengeance in Venice Sadie Swift, After the airship we re travelling back to England on is damaged by a storm Sir Percival and I find ourselves in Venice I decide to make use of the unplanned stop to achieve two of my dreams riding in a Gondola and going to visit the Venice Preservation Society where the machinery preventing Venice from sinking is located But things don t go as planned as we soon discover that terror stalks the canals The Men of the Cog the group responsible for the death of Katherine my lover are using kidnapping blackmail and murder to gain power in the city Determined to begin the fight back against the despicable group Sir Percival and I join with one of Casanova s female descendants and the ladies of Venice in an attempt to wrest the Floating City from their evil clutches      *Katherine* Sadie Swift, Katherine my lover has disappeared The only clue to her whereabouts is an empty envelope addressed to her at a town she s never mentioned What is her connection with Mistress Velda s Emporium of the Arcane Arts and the town of Southend on Sea And why before my search for her has even begun does a stranger leave a note telling me to forget her What danger will I find by following my heart      **Threesome Domination** Sadie Swift, My two favourite girls the classy Lauren and the tomboyish Josephine obeyed my order to come to me their domme But neither knew the other had been invited I made sure the eyeholes in their

black latex hoods were covered so they didn't know who else was with them and possibly watching as I forced each of them to experience the heights of pleasure      **Blackmailed Assassin** Sadie Swift, 2016-02-25      **Alice's Adventures Underground** Lewis Carroll, 2011      Alice's Adventures Under Ground Lewis Carroll, 1980
