Influence How To Influence Like A Leader

Karin Nielsen-Saines

Influence How To Influence Like A Leader:

Influence Redefined Stacey Hanke, 2017 Do you feel confident you're a leader with influence You may be surprised to discover you're not as influential as you think you are Your team is only as strong as your influence and many leaders today are mistaken about what it means to be influential An outdated influence paradigm along with technological devices and distractions is making it increasingly challenging for leaders to reach those they need to influence in order to be successful In fact many leaders are unwillingly and unknowingly sabotaging themselves and their influence In her thought provoking Influence Redefined Stacey Hanke introduces her powerful Influence Model a step by step method for improving communication and producing the ideal type of influence one that moves people to action long after an interaction is over She dispels the most common influence myths and instructs leaders on how to stop sabotaging themselves in order to leave a positive lasting impression Using a results based definition of influence for individuals and organizations Hanke successfully shows leaders how they can develop influence as a skill through self awareness consistency a positive reputation adaptability and impact With insights from dozens of executives and business leaders as well as practical how tos and action steps Influence Redefined will help leaders multiply and expand their influence every day Monday to Monday R Through Stacey Hanke Inc the author has provided keynotes mentoring and training on communicating with influence to thousands of leaders across industries She is the author of Yes You Can and has appeared in the New York Times and SmartMoney Hanke was recognized as one of the National Speakers Association's Top 6 Under 40

Leadership and the Ethics of Influence Terry L. Price, 2020-03-02 How do leaders influence others Although they sometimes appeal directly to good reasons which we associate with rational persuasion leaders also use guilt pressure flattery bullying and rewards and punishment all to get the behaviors that they want Even when leaders refrain from outright lying they are nevertheless known to practice something approaching perhaps reaching the level of manipulation Influence therefore presents a serious ethical problem across leadership contexts Leadership and the Ethics of Influence argues that influence puts leaders at risk of using people It is generally disrespectful of autonomy to figure out what makes people tick in an effort to handle them In contrast with physical force influence works through agency not around it Despite this feature of influence and to a large extent because of it the everyday influence associated with leadership is often morally troublesome What matters morally is not only whether agency is bypassed or overridden but also who is ultimately in control This book uses philosophy and leadership studies to show how leaders across different contexts can be justified in getting followers to do things Connecting moral theory to leadership theory and especially to charismatic leadership authentic leadership transforming leadership and ethical leadership this book is essential reading for leadership scholars students and practitioners

Porter,Harold L. Angle,Robert W. Allen,2003 This work covers topics related to the exercise of influence by individuals and groups within

organizations It includes an introductory group of articles dealing with the nature of influence processes and power

Inclusive Leadership Edwin Hollander, 2012-09-10 This landmark book by Edwin P Hollander a noted organizational social psychologist and long time contributor to leadership research and practice highlights the leader follower relationship as central to effective leadership Inclusive Leadership is a process of active followership emphasizing follower needs and expectations with the guiding principle of Doing things with people not to people in a two way influence relationship The book provides strong theoretical and empirical guidance for leadership development and includes many of Hollander's key original papers Each is updated in a chapter with his new reflective commentary including those on Interdependence Women and Leadership Power and Leadership Legitimacy Ethical Challenges Idiosyncrasy Credit and Civil Liberties Six new chapters begin with an Overview of Inclusive Leadership identifying distinctive concepts and practices and an Historical Background There also are new chapters on such topics as Applications Presidential Leadership and College and University Leadership It concludes with Lessons from Experience a revealing Afterword on his career and comprehensive Bibliography Enriching our practical understanding of the leader follower relationship with many real world examples this book should be a basic addition to anyone's library on leadership Students of leadership management organizational psychology and behavior business sociology education political science and public policy will find it informative about successful practices of Inclusive Leadership and their applications to leadership events **Assimilating New Leaders** Diane Downey, 2001

Leadership, Gender, and Organization Mollie Painter, Patricia H. Werhane, 2023-08-16 In this collection the editors again bring together papers that either exemplify the crossing of disciplinary boundaries or that allow us to do so in and through the conversations they create The chapters were chosen based on their relevance to similar themes as were discussed in the first volume By reviewing historical developments in the literature around gender and organization and by drawing on recent scholarship that disrupts the traditional masculine imaginaries that plague leadership constructs this book challenges us to radically revise our gendered thinking about leading in organizations The authors included in this volume offer alternative interdisciplinary perspectives on the gender constructs that inform the organizing that takes place in business and society The book delves deeply into how relationality as concept and practice can help us frame a more inclusive approach to gender within contemporary organizations
