Influencing Like Jesus 15 Biblical Principles Of Persuasion:

Influencing Like Jesus Michael Zigarelli, Carolyn Stanford Goss, 2008 **Influencing Like Jesus** Michael Zigarelli, 2008
Professor Zigarelli shows how to influence others for good by adopting the same methods of persuasion that Jesus exemplified during his life and ministry The Ethics of Evangelism Elmer J Thiessen, 2014-08-08 This is a brief and accessible examination of the ethics of evangelism in a post Christian culture Thiessen discusses the immoral practices and attitudes that are sometimes associated with evangelism and then turns his insightful attention to a better way of approaching the subject Should we try to bring people to Christ or not In a multi cultural world evangelism is often under attack with those seeking to evangelise sometimes being branded arrogant ignorant hypocritical and meddlesome Against such a backdrop this unique book asks what sort of evangelism is ethical in a liberal post Christian society *Influence* Philip E Morrison, Hankuri Tawus Gaya, 2020-09-25 Leadership is not position It s influence Do you have ideas for change but feel powerless to make them happen Do you try to respect your leaders authority but yearn for them to see your vision Discover how to spark change just as young men and women in the Bible did People in your community church or nation will begin to follow you Soon you will be leading transformation Regardless of your title age or qualifications learn to be a leader now Influence comes at the perfect time to provide clear answers in the quest for change A book to read and teach to the new generation Dr Daniel Kouakou Faculty Member of The John Maxwell Team C te d Ivoire When I started reading I couldn t stop Influence is as compelling as it is practical Boldly refreshing desperately needed this is a core resource for leaders and aspiring leaders Dr Joy Mbaabu Lawyer and Conflict Resolver Kenya I highly recommend this book to any Christian hoping to make a difference Prof Faustin Ntamushobora President of Transformational Leadership in Africa Rwanda **Management by Proverbs** Michael Zigarelli, 2008-11 Whether you re an assembly line supervisor a church pastor a school principal or the CEO of a multinational corporation the Old Testament Book of Proverbs offers timeless principles for leadership success Management by Proverbs explores twenty five of these principles with incisive commentary dozens of contemporary examples and plenty of practical road tested advice Join Dr Michael Zigarelli as he presents Proverbs as you ve never read it before Michael Zigarelli Ph D is an Associate Professor of Management at Messiah College and the former dean of the Regent University School of Business He is the author of ten books including *Influencing Like Jesus* *The Minister s MBA* and *Cultivating Christian Character* **The Art and Craft of Biblical Preaching** Zondervan, 2009-05-26 A Comprehensive Resource for Today s Christian Communicators This extensive encyclopedia is the most complete and practical work ever published on the art and craft of biblical preaching Its 11 major sections contain nearly 200 articles comprehensively covering topics on preaching and methodology including Sermon structure and the big idea The art of introductions transitions and conclusions Methods for sermon prep from outlining to exercising Approaches to different types of preaching topical expository evangelistic and more Best practices for sermon delivery speaking with authority and using humor

Leveraging effective illustrations and stories Understanding audience and much more Entries are characterized by intensely practical and vivid writing designed to help preachers deepen their understanding and sharpen their communication skills The contributors include a virtual Who's Who of preaching from a cross section of denominations and traditions such as Dallas Willard John Ortberg Rick Warren Warren Wiersbe Alice Mathews John Piper Andy Stanley and many others Haddon Robinson and Craig Brian Larson two of today's most respected voices in preaching provide editorial oversight Includes audio CD with preaching technique examples from the book Pastoral Leadership Won Sang Lee, 2015-01-14 In ascending to heaven Jesus Christ gave the church the Great Commission to expand the gospel to all nations Despite this biblical commission it is still an unfinished task As leaders of local churches pastors play a crucial part in this endeavor Pastoral leadership principles have varied widely throughout history yet it is interesting to discover the similarities between pastoral leadership principles practiced by John Chrysostom AD 347-407 in Antioch and Constantinople and Won Sang Lee 1937 in Washington DC Despite ministering 1600 years apart both pastors share the same core values care for people Christ-like character biblical preaching and world missions This suggests that continued emphasis on these principles will play a significant role in fulfilling the Great Commission independent of time and place **How to Argue like Jesus** Joe Carter, John Coleman, 2008-12-18 Uses Jesus words and actions found in the New Testament to systematically evaluate his rhetorical stylings drawing real lessons from his teachings that today's readers can employ Jesus of Nazareth never wrote a book held political office or wielded a sword He never gained sway with the mighty or influential He never took up arms against the governing powers in Rome He was a lower class worker who died an excruciating death at the age of thirty three Yet in spite of all odds obscurity powerlessness and execution his words revolutionized human history **How to Argue Like Jesus** examines the life and words of Jesus and describes the various ways in which he sought through the spoken word his life and his disciples to reach others with his message The authors then pull some very simple rhetorical lessons from Jesus life that readers can use today Both Christian and non-Christian leaders in just about any field can improve their ability to communicate effectively by studying the words and methods of history's greatest communicator **Influencing Your World for Christ** Matthew Robert Payne, 2017-10-05 The mention of the word evangelism can produce any number of responses from people Many Christians know that they should be sharing Jesus with their friends and family members but fear of rejection stops them Other factors also keep them from sharing One of the most common reasons that people don't win their friends to Christ is not so much fear as the fact that they don't know how to evangelize people However you can influence your world for Christ without overwhelming your friends without embarrassing yourself or without even being rejected One day I sat down and decided to record this book on video so that people could see how I live my life and how I influence those that come in contact with me This process is not scary and you won't be rejected if you live out the keys in this book Instead the contents will actually free you up to be who you are with everyone that you know Gone will be the

masks that you wear for some people as they get to know the authentic Christian that you are I am no theologian and have never had formal training at a school yet I have shared my personal faith in Jesus with thousands of people as well as shared personal messages from Jesus with many people through prophetic evangelism If you want to learn how to influence your world with the message of the Gospel with confidence take a look inside Your world and the lives of those around you will be impacted for God s glory and the Kingdom **Influencing Your World** Cedrick Brown,2005-08 This study guide begins with a diagnosis of the readers spiritual states as far as influencing others is concerned and helps them clearly understand where God wants them
