Inheritance 2 Tiffany Dorbin:

Inheritance Tiffany Dorbin, 2015-12-02 Tonya and her family have adjusted well to their new town and now Tonya feels like she is losing her mind over the tremendous secret she has been keeping. To add to her stress she has been questioning how solid her relationship is with her best friend from back in Portage. But some good things are happening for her too. A cute boy catches her eye and she and Autumn think they may have made a connection between Tonya's grandmother and the cabin Autumn lives in back in the woods. Now it is just a matter of time before Tonya either gives in and tells her secret even if just to let her mom have a connection to her otherwise long lost family or she continues to go crazy over keeping it to herself. Where does her loyalty lie? And without her hometown bff to back her up she is lost in her own mind. Something has to give.
