Inleiding Tot De Psychologie:

Inleiding Tot de Psychologie Van Jung Erwin W. Straus, 1969 **Hoe minder straffen? Een boek over eisen, straffen en belonen voor ouders, leerkrachten en andere opvoeders** Ludo Driesen, 2006 Praktische adviezen aan ouders en opvoeders voor het verantwoord opvoedkundig straffen van kinderen met suggesties voor mogelijke alternatieven **Life Energies, Forces and the Shaping of Life: Vital, Existential** Anna-Teresa Tymieniecka, 2012-12-06 The nature of life consists in a constructive becoming see *Analecta Husserliana* vol 70 Though caught up in its relatively stable stationary intervals manifesting the steps of its accomplishments that our attention is fixed In this selection of studies we proceed in contrast to envisage life in the Aristotelian perspective in which *energia* forces and dynamisms of life at work are at the fore Startling questions emerge what distinction could be drawn between the prompting forces of life and its formation Or is this distinction a result of our transcendental faculties The answers to these questions reveal themselves as Tymieniecka proposes at the phenomenologically onto-poietic level of life's origination where transcendentalities surge **Collected Works of C.G. Jung** C.G. Jung, 1973-09-01 Contains revised versions of works previously published works not previously translated and new translations of virtually all of Jung's writings Prior to his death he supervised the textual revision Several of the volumes are extensively illustrated each contains an index and most a bibliography *De Psychologie van Invloed* Weslen Carvalho, 2024-11-22 Ontdek de geheimen achter menselijke beslissingen en leer de kunst van invloed uit te oefenen in dit boeiende en informatieve boek Verken de diepten van de psychologie achter onze dagelijkse keuzes en ontdek hoe je gedragingen kunt vormgeven vertrouwen kunt opbouwen en je persoonlijke en professionele doelen kunt bereiken Met diepgaande inzichten praktische strategieën en overtuigende voorbeelden biedt dit boek een uitgebreid gids om de kracht van invloed te begrijpen en te benutten in alle aspecten van je leven Of je nu een opkomende leider bent een salesprofessional of gewoon geïnteresseerd in het beter begrijpen van menselijk gedrag dit boek is een essentiële leeservaring voor iedereen die effectief en integer invloed wil uitoefenen **Bibliotheekleven**, 1928 **The Indispensability of Phenomenology, Experiment and History** René Van Hezewijk, Henderikus J. Stam, 2024-11-08 This book is the first comprehensive intellectual biography of Johannes Linschoten whose work has been credited with helping to bring down the Utrecht School of phenomenological psychology The authors show this to be a mistaken assumption in the light of Linschoten's entire oeuvre and demonstrate his importance for an understanding of a phenomenological psychology that necessarily coexists with an experimental scientific psychology In the Netherlands Linschoten is particularly appreciated for his last book published posthumously That volume *Idols of the Psychologist* took a critical look at phenomenological psychology and its pretensions while simultaneously acknowledging that a phenomenological outlook is a necessity for beginning any kind of experimental investigation Most commentators on this book considered Linschoten a convert from phenomenology to experimental psychology but have either ignored his earlier substantive work or have not seen the

importance of the intellectual context for his final work By examining his life and the full extent of his voluminous writings this book demonstrates Linschoten's importance for the development of psychology in the Netherlands and beyond It will shed new light on the life and work of Johannes Linschoten as well as the Dutch school of phenomenology and its postwar contributions to psychology in Europe and North America Furthermore for the first time this book brings together important aspects of Linschoten's life with his prodigious output It demonstrates how his life and work created a unique psychology that deserves to be continued and developed
