Innocents Robert Pobi:

City of Windows Robert Pobi, 2019-08-06 City of Windows is moving breathtaking a great entertainment The Wall Street Journal A tough wise knowing narrative voice a great plot a great setting and even better characters I loved this Lee Child New York Times bestselling author In the tradition of Jeffery Deaver's Lincoln Rhyme and David Baldacci's Amos Decker Robert Pobi's City of Windows introduces Lucas Page a brilliant reluctant investigator matching wits with a skilled invisible killer During the worst blizzard in memory an FBI agent in a moving SUV in New York City is killed by a nearly impossible sniper shot Unable to pinpoint where the shot came from as the storm rapidly wipes out evidence the agent in charge Brett Kehoe turns to the one man who might be able to help them former FBI agent Lucas Page Page a university professor and bestselling author left the FBI years ago after a tragic event robbed him of a leg an arm an eye and the willingness to continue But he has an amazing ability to read a crime scene figure out angles and trajectories in his head and he might be the only one to be able to find the sniper's nest With a new wife and family Lucas Page has no interest in helping the FBI except for the fact that the victim was his former partner Agreeing to help for his partner's sake Page finds himself hunting a killer with an unknown agenda and amazing sniper skills in the worst of conditions And his partner's murder is only the first in a series of meticulously planned murders carried out with all but impossible sniper shots The only thing connecting the deaths is that the victims are all with law enforcement that is until Page's own family becomes a target To identify and hunt down this ruthless seemingly unstoppable killer Page must discover what hidden past connects the victims before he himself loses all that is dear to him

Harvest Robert Pobi, 2015 A stifling heat wave rolls into New York City amplifying the already critical level of tension in the fragile concrete ecosystem Recently recovered from a shoot out that nearly killed her homicide detective Alexandra Hemi Hemingway is already on edge But then on the morning Hemi discovers she is pregnant a twisted serial killer makes his debut And the heat goes up Soon Hemi is besieged on all fronts as she struggles to catch up to a killer who always seems one step ahead And as she pieces together the clues along the trail it isn't long before tensions boil over and Hemi finds herself a target in the deadly competition Not for the faint of heart Harvest is a relentless ride that takes you through the fractured world of a nascent killer And you will never feel safe again

Mannheim Rex Robert Pobi, 2016-05-17 From the internationally bestselling novelist Rob Pobi comes Mannheim Rex an homage to the blockbuster Jaws and the classic American novel Moby Dick After the sudden death of his wife famous horror writer Gavin Corlie retreats from New York City to a secluded house on Lake Caldasac But his new life in the country is far from idyllic and when a thirteen year old wheelchair bound boy named Finn Horn nearly drowns in the lake Gavin discovers a startling secret people in this peaceful lakeside community keep vanishing Is the corrupt drug fuelled town sheriff to blame Or is Finn's account of a lake dwelling leviathan more than a near death hallucination Racing against time and Mother Nature Gavin and Finn embark on a quest to catch a nightmare beast It's survival of the fittest and it isn't long before the pair realizes that they might be out

of their depth and that the hunters may have become the hunted An homage to Peter Benchley's Jaws and the classic Moby Dick Mannheim Rex is an unsettling thriller that switches seamlessly between heartwarming friendship and heart stopping action

Under Pressure Robert Pobi, 2020-08-04 Complexly plotted skillfully drawn The Wall Street Journal A series of deadly explosions rock the city of New York and with too many victims and no known motive the F B I turns once again to Dr Lucas Page in Robert Pobi's Under Pressure On a beautiful October evening New York City's iconic Guggenheim Museum is closed for a tech company's private gala Until an explosion rocks the night instantly killing 702 people including every single attendee yet the damage to the building itself was minimal An explosion of that precision was no accident and in response the FBI mobilizes its entire team but the sheer number of victims strains their resources Were all 702 victims in the wrong place at the wrong time or was there only one target and 701 unlucky bystanders That many victim files is a staggering amount of data to sort through and Brett Kehoe Special Agent in Charge of Manhattan decides that he can't do this without more computational power Dr Lucas Page astrophysicist university professor and former FBI agent is uniquely gifted for the task at hand he can visualize a crime scene as if he was a bystander and can break down any set of data at a glance Even though Page wants nothing to do with the FBI with his city under attack and his family at risk he steps in to find a killer in a haystack before they strike again

Do No Harm Robert Pobi, 2022-08-09 In Robert Pobi's thriller Do No Harm a series of suicides and accidental deaths in the medical community are actually well disguised murders and only Lucas Page can see the pattern and discern the truth that no one else believes Lucas Page is a polymath astrophysicist professor husband father of five adopted children bestselling author and ex FBI agent emphasis on ex Severely wounded after being caught in an explosion Page left the FBI behind and put his focus on the rebuilding the rest of his life But Page is uniquely gifted in being able to recognize patterns that elude others a skill that brings the F B I knocking at his door again and again Lucas Page's wife Erin loses a friend a gifted plastic surgeon to suicide and Lucas begins to realize how many people Erin knew that have died in the past year in freak accidents and now suicide Intrigued despite himself Page begins digging through obituaries and realizes that there's a pattern a bad one These deaths don't make sense unless the doctors are being murdered the target of a particularly clever killer This time the FBI wants as little to do with Lucas as he does with them so he's left with only one option ignore it and go back to his normal life But then the pattern reveals that the next victim is likely to be Erin herself
