

What the It Takes Two to Talk Program Offers

- A consultation for you and your child with a **Hansen Certified Speech-Language Pathologist/Therapist** before the program begins
- A series of informative and personal classes for small groups of parents
- **Three** individual consultations with your **Hansen Certified Speech-Language Pathologist/Therapist** during which:
 - you discuss communication goals and specific strategies for your child
 - you are videotaped interacting with your child during an everyday activity. This video is then reviewed and discussed with you so you can "see" what is helping and what else you can do to help your child learn.

Resource Materials

The *It Takes Two to Talk* Program is supported by a beautifully illustrated parent guidebook and companion DVD that follows the program's content in a practical and easy-to-understand format.

What Parents and Professionals Say About the It Takes Two to Talk Program

"I have just completed *It Takes Two to Talk*. What a difference this has made to the quality of life for my little girl. She is more confident and will initiate a conversation and join in activities. Several weeks ago she would not have done so."

Patricia, mother of four-year-old Kelly

"It is a big commitment in terms of time, but soon becomes part of your life. You don't sit down and 'do Hansen'; you incorporate it into everyday life. It changed everything."

Lisa, mother of two-year-old George

"The *It Takes Two to Talk* Program has given life a whole new meaning—it's brighter, happier, less confusing/frustrating. We have learned new and wonderful ways to communicate with our daughter and she with us."

A parent in County Wick, Ireland

"The [*It Takes Two to Talk*] Program works because it takes advantage of the way that children naturally learn to communicate — that is, through interaction with the parents. It's easy to understand, accept and learn too."

*Lesli Rosetti, PhD
Professor of Communicative Disorders
University of Wisconsin*

As you learn the strategies in the It Takes Two to Talk Program, you will have a chance to practice them with your child in many different situations. By the time the program is over, you'll have a whole new set of skills that you can use every day with your child.

It Takes Two to Talk®

What Parents Learn:

1. Let Your Child Lead

You'll learn more about how your child expresses his feelings, needs and interests. You'll learn how to get face-to-face with your child so you can **OBSERVE** what he's doing, **WAIT** for him to communicate with you (with or without words) and **LISTEN** to what he is telling you.

2. Follow Your Child's Lead

You'll learn how to respond immediately to what your child tells you in ways that help him learn language. When you follow your child's lead, you build his confidence and encourage even more communication.

3. Take Turns to Keep the Interaction Going

You'll learn how to take turn back and forth and have simple conversations with your child. You'll also learn how to adjust everyday routines that you and your child already enjoy to create more opportunities for interaction and communication.

4. Add Language to the Interaction

You'll learn how to add words to the interaction to help your child express himself and learn about the world. You'll also learn how to highlight words to make it easier for your child to learn and remember them.
