The Food Pusher's Cookbook Rick Melfi, 2011-06. It wasn't until I was a student at the Culinary Institute of America in the late 1970s that I first realized that growing up as a first generation Italian American family in the Bronx and New Jersey wasn't as typical as I had thought. My parents and their parents were all born and raised in Italy. Throughout my youth and beyond my father and mother referred to their five children, four boys and a girl, by the number in the order of which we were born. To this day my mother still occasionally refers to me as Number Two Son. But when it came to hanging around the kitchen I was definitely the number one pest. I was the little punk kid always by my mother's side as she was cooking or baking. I would jockey for position wherever my mother moved, stand on a kitchen chair up against the stove and otherwise constantly be in her way as I tried to get a better look at whatever was being done. Same when either of the grandmothers, Nona Lisa or Grandma Melfi, or other relatives were there. Maybe it was something in the water around Pisa but I suspect it's a genetic condition. For my mother, her mother, cousins, aunts and countless generations before them, in this food fueled blood line, the world revolved around the kitchen and dining room table. Life was not good unless family, friends or anyone close to the dinner table was fed to excess, ritually seduced with course after course of delicious, abundant and temptingly presented food. This attitude seemed to pervade all branches of the family, but my inspiration and mentor was Maria Gracia Melfi, aka Mama Melfi, aka The Food Pusher.

A Taste Back in Time Denise Martin, 2014-10-13. A Taste Back in Time: Recipes and true stories of Family Friends, Faith and Food is a compilation of humorous family stories often centered on food. Gathering recipes from numerous relatives, there are recipes that date back many, many generations. The Italian Culture is steeped in culinary tradition and the book sheds some light on the traditions and the important role that foods and celebrations play throughout life. The book brings to light the belief that taking a taste of food that was enjoyed so long ago instantly brings back fond memories of happier times. A time of Family Friends, Faith and Flavor. Many of the traditional foods and recipes seemed to have gotten lost amidst fast foods and chicken nuggets. Many of the long held traditions that had sustained her in the past were almost non-existent in the fast paced 21st Century. In

recapturing the memories that tie into the traditional foods she rediscovered how these recipes could be adapted in today's kitchen Hopefully when reading the book and trying the recipes you will feel and know that you are famiglia too TEASER The Author was close to death and had several out of body experiences that changed her spiritually forever Many come through this type of experience and write about it oddly enough Denise chose to write a cookbook replete with kitschy humor and family skeletons Interesting Spoiler Alert About that tunnel Will be discussed in an upcoming book so stay tuned
