Italian Fascisms Empire Cinema New Directions In National Cinemas:

Italian Fascism's Empire Cinema Ruth Ben-Ghiat, 2015-02-11 Ruth Ben Ghiat provides the first in depth study of feature and documentary films produced under the auspices of Mussolini's government that took as their subjects or settings Italy's African and Balkan colonies. These empire films were Italy's entry into an international market for the exotic. The films engaged its most experienced and cosmopolitan directors Augusto Genina, Mario Camerini, as well as new filmmakers Roberto Rossellini, who would make their marks in the postwar years. Ben Ghiat sees these films as part of the aesthetic development that would lead to neo-realism. Shot in Libya, Somalia, and Ethiopia, these movies reinforced Fascist racial and labor policies and were largely forgotten after the war. Ben Ghiat restores them to Italian and international film history in this gripping account of empire, war, and the cinema of dictatorship.

Derek Walcott and the Creation of a Classical Caribbean Justine McConnell, 2023-05-18 Throughout his career, Derek Walcott turned to the literature and cultures of ancient Greece and Rome. His book-length poem recasting the epics of Homer, Virgil, and Dante in St. Lucia is best known in this regard, yet Omeros is only the pinnacle of a lengthy and lively dialogue that Walcott developed between the ancient Mediterranean and the modern Caribbean. *Derek Walcott and the Creation of a Classical Caribbean* explores how, in developing that discourse between ancient and modern, between Europe and the Caribbean, Walcott refuted the suggestion that to engage with literature from elsewhere was to lack originality. Instead, he asserted a place for Caribbean art in a global transhistorical canon. Drawing on Walcott's own theoretical concerns, this book explores his engagement with Graeco-Roman antiquity from three key perspectives. Firstly, that a perception of time as linear must be coupled with an understanding of it as simultaneous, thereby doing away with the oppressive power of history and confirming the New World on a par with the Old. Secondly, that syncretism lies at the heart of Caribbean life and art, with influences from Africa, Asia, and Europe constituting key parts of Caribbean identity alongside its indigenous cultures. Thirdly, that Caribbean literature creates the world anew without erasing the past. With these three postcolonial conceptions at the heart of his engagement with ancient Greece and Rome, Walcott revealed the reasons why classical reception has been a rich facet of Caribbean artistry.

American Western Stephen McVeigh, 2007-02-14 This wide-ranging book illuminates the importance of the Western in American history. It explores the interconnections between the Western in both literature and film and the United States in the 20th century. Structured chronologically, the book traces the evolution of the Western as a uniquely American form. The author argues that America's frontier past was quickly transformed into a set of symbols and myths, an American meta-narrative that came to underpin much of the American century. He details how and why this process occurred, the form and function of Western myths and symbols, the evolution of this mythology and its subversions and reconstructions throughout 20th-century American history. The book engages with the full range of historical, literary, and cinematic perspectives and texts from the founding Western histories of Theodore Roosevelt and Frederick Jackson Turner to the New Western history of Patricia Nelson Limerick and

Christensen, 2014-10-31 Kenneth A Christensen's THE TOSCANINI MYSTIQUE is the first full length biography about the legendary Italian conductor's life and career in almost thirty five years Maestro Toscanini had a frigid and extremely unhappy childhood along with a severe musical education at the Parma Conservatory This unglamorized account of a gifted teenager's professional conducting debut at Rio de Janeiro's Teatro Imperial is told as it

really happened Toscanini was married to a ballerina Carla De Martini who bore him four children but also had an illegitimate son with a gifted soprano who was born retarded Toscanini's vulgar mistreatment of nearly all the singers and musicians who performed under his direction was legendary and is examined with unusual insight about his uncanny memory and talent for musical recreation The recollection of many famous artists including Caruso Debussy Kreisler Puccini Stravinsky Verdi and Wagners descendants are quoted alongside his confrontations with Hitler Mussolini and the Sicilian mafia But the Maestro also was the most generous of all musicians donating both his time and talents to many worthwhile charities for which he received no financial compensation The life of this great conductor is presented as the struggles of a musical and theatrical reformer who was a major historical figure that just happened to be one of the greatest musicians who ever lived Mr Christensen has painstakingly wrote his narrative using all the previous biographies and magazine articles on his life the scripts of two video documentaries and the liner notes for the most widely available re releases of his recordings He rewrote and clarified the awkward original Italian translations for non specialist readers and has supplied new English translations for the numerous operatic titles and other musical works as well as all the foreign language newspapers magazines and theatres mentioned in the text In addition he has provided professional critiques on the most widely available Toscanini recordings from RCA Victor's Arturo Toscanini Collection and historic reissues of Toscanini's NBC radio broadcast concerts Here was a man who had the nerve to stand up to world dictators and fought hard to prevent the Western world's supreme musical masterpieces from being abused and mistreated but without taking any credit for laboriously recreating all these composers inspiration He enjoyed to play practical jokes on his family and friends but this humorous side is known only through letters because Toscanini never published any autobiography or memoirs about his art Toscanini gave the world premieres of 14 operas including Leoncavallo's Pagliacci and three by Puccini including La Bohème La Fanciulla del West and Turandot Toscanini served as musical director the Teatro Regio in Turin 1895-98 La Scala in Milan 1898-1908 New York's Metropolitan Opera 1908-1915 barely missed dying upon the Lusitania becoming musical director of La Scala again 1920-1929 the New York Philharmonic 1926-1936 and the NBC Symphony Orchestra 1937-1954 In between he also guest conducted at the Bayreuth Salzburg and Lucerne Festivals and conducted the inaugural concerts of the Palestine Symphony Toscanini then recorded his most important repertory with the BBC Symphony and the Philadelphia Orchestra the New York Philharmonic and NBC Symphony Orchestras alongside the Robert Shaw Chorale and such esteemed soloists as Jascha Heifetz Rudolf Serkin plus his own son in law Vladimir Horowitz His seven operatic recordings featured Jan Peerce Helen Traubel Richard Tucker Giuseppe di Stefano Rose Bampton Cesare Siepi Herva Nelli Licia Albanese Robert Merrill Jussi Björling Lauritz Melchior and many other gifted singers and musicians of the past whose names alone are too much to mention
