Implementing IT Governance - A Pocket Guide Dr. Gad Selig, 2008-04-12

The issues opportunities and challenges of aligning information technology more closely with an organization and effectively governing an organization's Information Technology IT investments resources major initiatives and superior uninterrupted service is becoming a major concern of the Board and executive management in enterprises on a global basis An integrated and comprehensive approach to the alignment planning execution and governance of IT and its resources has become critical to more effectively align integrate invest measure deploy service and sustain the strategic and tactical direction and value proposition of IT in support of organizations Much has been written and documented about the individual components of IT Governance such as strategic planning demand portfolio investment management program and project management IT service management and delivery strategic sourcing and outsourcing performance management and metrics like the balanced scorecard compliance and others Much less has been written about a comprehensive and integrated IT Business Alignment Planning Execution and Governance approach This new title fills that need in the marketplace and gives readers a structured and practical solutions using the best of the best principles available today The book is divided into nine chapters which cover the three critical pillars necessary to develop execute and sustain a robust and effective IT governance environment leadership and proactive people and change agents flexible and scalable processes and enabling technology Each of the chapters also covers one or more of the following action oriented topics demand management and alignment the why and what of IT strategic planning portfolio investment management decision authority etc execution management includes the how Program Project Management IT Service Management and Delivery with IT Infrastructure Library ITIL and Strategic Sourcing and outsourcing performance risk and contingency management e g includes COBIT the balanced scorecard and other metrics and controls and leadership teams and people skills Endorsements Selig has brought together his years of practical experience and his academic training to produce a valuable resource on how to successfully manage IT He uses IT governance as the focal point for executing best practices to create alignment between IT and the business In today's marketplace where no organization can compete effectively without alignment this book can become the executive handbook for IT management Christine V Bullen Senior Lecturer Howe School of Technology Management Stevens Institute of Technology Dr Selig has written an extremely comprehensive book on IT Governance It is so comprehensive that today's IT leader need look at few other sources to ensure that they have nailed what it takes to lead a world class IT organization It provides details yet serves as a easily reference able road map for today's busy IT executives it is a great desktop companion Stu Werner Executive Vice President and CIO Li Fong U S A Dr Selig's book on this topic is a great resource for all IT practitioners and brings together every critical aspect relating to IT governance This book lays out a roadmap to executing within a solid governance model It looks at all aspects of establishing maintaining growing and sustaining an IT ecosystem The combination of case studies and disciplined approaches to building well structured processes

committed leaders and change agents will help the board executive management and most of all CIO s and IT professionals think through what has worked what can work and how to deploy IT governance successfully I very much enjoyed reading the chapters I think you have a great book and I look forward to reading it when it comes out Dick LeFave CIO Sprint Nextel In an era when strong IT governance is an increasingly critical component of visionary business and technology leadership Dr Selig s book provides a welcome compendium of successful practices Experienced leaders will find it a valuable reference while early career managers will appreciate the clear actionable framework for developing high quality sustainable governance models of their own Hank Zupnick CIO GE Real Estate Dr Selig s book is a well thought out and comprehensive reference guide on the successful governance of IT in context of the larger business It successfully combines practical check lists and governance models with real world insights in an easy to read format The book is organized into logical sections that make it easy to find topics of relevance This book will be useful when setting up a new governance model or challenging and improving what is in place today It is written in a format that allows the reader to stand back from the detail and look at the bigger picture recognizing that an integrated approach to IT governance is critical to the overall health of a successful business Dr Selig has captured this complex topic in a way that will prove a valuable reference for all levels of Executives and managers that are involved in IT governance Nicholas Willcox Director IT Unilever Americas Dr Selig s blend of executive IT and senior level business experience in major companies combined with many years of teaching experience and research effort have enabled him to create a unique book that blends many different components and perspectives on IT Governance into a single framework Written for senior and aspiring IT and business leaders his book draws upon practical experience research and best practices as well as the collective wisdom of the many senior IT leaders he has interacted with in teaching IT Governance A five star rating James R Shea Director Syracuse University Center for Business Information Technologies Dr Selig has created a veritable IT Governance Encyclopedia for the 21st century IT executive If something isn t covered here you probably don t need to know it Peter Schay Executive VP The Advisory Council

Six Sigma for IT Management - A Pocket Guide Melvin Harteveld, Sven den Boer, 2011-03-03 Six Sigma provides a quantitative methodology of continuous process improvement and cost reduction by reducing the amount of variation in process outcomes The production of a product be it a tangible product like a car or a more abstract product like a service consists of a series of processes All processes consist of a series of steps events or activities Six Sigma measures every step of the process by breaking apart the elements within each process identifying the critical characteristics defining and mapping the related processes understanding the capability of each process discovering the weak links and then upgrading the capability of the process It is only by taking these steps that a business can raise the high water mark of its performance IT is now a fundamental part of business and business processes this book demonstrates how IT can be made to work as an enabler to better business processes and how the Six Sigma approach can be used to provide a consistent framework for measuring process outcomes

ITIL defines the what of Service Management Six Sigma defines the how of process improvement together they are a perfect fit of improving the quality of IT service delivery and support The Six Sigma approach also provides measures of process outcomes and prescribes a consistent approach in how to use these metrics This Pocket guide provides a coherent view and guidance for using the Six Sigma approach successfully in IT service organisations It particularly aims to merge ITIL and Six Sigma into a single approach for continuous improvement of IT service organizations

Implementing Information Security based on ISO 27001/ISO 27002 Alan Calder,1970-01-01 Information is the currency of the information age and in many cases is the most valuable asset possessed by an organisation Information security management is the discipline that focuses on protecting and securing these assets against the threats of natural disasters fraud and other criminal activity user error and system failure Effective information security can be defined as the preservation of confidentiality integrity and availability of information This book describes the approach taken by many organisations to realise these objectives It discusses how information security cannot be achieved through technological means alone but should include factors such as the organisation s approach to risk and pragmatic day to day business operations This Management Guide provides an overview of the implementation of an Information Security Management System that conforms to the requirements of ISO IEC 27001 2005 and which uses controls derived from ISO IEC 17799 2005 It covers the following Certification Risk

Documentation and Project Management issues Process approach and the PDCA cycle Preparation for an Audit

Itil V3 Foundations Drew Walker,2014-11-03 Pass the Information Technology Infrastructure Library ITIL v3 Foundation Exam is one of the most demanded technology certification Pass the exam with this book in a easy to understand efficient way Pass the first time

ITIL V3 Foundation Complete Certification Kit Tim Malone,Ivanka Menken,Gerard Blokdijk,2010 The ITIL Information Technology Infrastructure Library V3 Foundation Complete Certification Kit is the most complete guide for anyone involved in IT Service Management and who are aiming to take the ITIL V3 Foundation exam whether they be first time ITIL learners or seasoned IT professionals Still a number one best seller for IT Management from Amazon com to Barnes and Noble and many more this Third edition has refreshed the study guide and online learning program with its updated inspiring and detailed plan for passing your ITIL V3 Foundation exam on the first attempt With new examples instructions and cautionary advice the ITIL V3 Foundation Complete Certification Kit is to quote numerous of ITIL certified clients the gold standard of ITIL Certification As the industry standard in terms of Process Service and Lifecycle Management for IT the ITIL Foundation exam is the most popular entry level certification particularly for individuals switching from another career to IT This kit prepares you for the certification exam by offering valuable information on the ITIL framework ITIL certification and IT Service Management as a practice This certification kit contains both the study guide and access to our online program that together provides everything you need to prepare for the ITIL V3 Foundation certification exam including Real world scenarios that describe what you ve learned in the context of service solutions These include thought

provoking questions to challenge your thinking and understanding Section reviews for each chapter to help you zero in on what you need to know and includes practice exam questions A Real World Guide to ITIL V3 Skills Key information and real world examples organized around the actual day to day tasks and challenges you ll face in the field of IT Service Management Ability to assess what you ve learned with challenging ITIL Foundation exam style questions Adobe Flash presentations that you can view and replay as many times as required facilitated by certified ITIL trainers who explain each of the topics and concepts of ITIL Materials developed on the specific syllabus and exam criteria so that you can be confident in achieving exam success on your first attempt This new Expanded and Updated edition includes Content updated to match syllabus 4 processes and other content areas all provided for in both the book and elearning presentations More in depth exam prep eg answer guides for all exam questions More content depth in a number of areas Editorial Reviews Read the book took the online course and test PASSED This ITIL exam prep book and course are an invaluable study aid for passing the ITIL Foundation exam Highly recommended I ve been an IS project manager for over 10 years I ve studied ITIL materials in preparation but took no courses or workshops I studied this book and its accompanying course for 10 days immediately preceding my exam Read the book about 3 times I took the ITIL Foundation exam and got 98% of the questions correct I think that the study tips in the book and course helped me get about 15 20 questions right that I might have otherwise missed your mileage may vary The book and course made me confident in sitting the exam and is the best such book that I ve come across Worth it especially since you have access to the online learning component as well Good focus on ITIL s processes things important to ITIL Foundation and passing the test that your experience in IT may not help you Highly recommended I passed in one go [Metrics for IT Service Management](#) David Brooks, Jan van Bon, Tienieke Verheijen, 2006-04-26 Note This book is available in several languages Russian Chinese English The ability to organise and measure performance is a key part of the implementation of IT Service Management processes This publication contains practical information on the provision of useful and meaningful metrics as well as how best to use them within an organisation including generic principles such as SMART and KISS specific examples and templates for the use of each metric All metrics discussed are directly related to process objectives in order to help create a service focused management system This publication complements the ITIL CobiT and ISO20000 service management principles If you need to develop metrics for an IT environment buy this book or hire a consultant who has read it G Kieliszek Healthcare CIO Amazon This is more than a book it s a practical useable A to Z of IT Service Management Metrics Peter Brooks Author has given us all a crystal clear view of a neglected blurred piece of the IT Service Management puzzle As a Principal ITSM Consultant working for Foster Melliar in South Africa I am continuously disappointed by the many ITSM books produced that generally regurgitate what is already known by many in the industry Metrics for IT Service Organisations provides a vast array of possible audiences something that many ITSM volumes do not and this is a Practical useable view of How to plan for design

manage and improve the critical measures IT Service organisations require from both a strategic tactical and operational perspective I don't carry many books around with me this one I most certainly will Ian Clark Principal ITSM Consultant Foster Melliar With all the focus on IT Governance and IT Business process management It is easy to see why metrics are becoming hugely important for the management of organisations In reality however getting the right set of metrics in place is by no means a simple exercise Metrics for IT service organisations can be a great help Using ITIL as the basis the book lists many useful examples of metrics But what is more important is that it gives us insight into to creation of good metrics and the dangers of bad metrics Emma Speakman IT BPM consultant SA NL UK Looking for a comprehensive in depth exploration and explanation of what metrics to use in your ITSM journey Then Metrics for IT Service Organizations by Peter Brooks may be exactly what you're looking for This new book not only covers what metrics need to be seriously considered but explains the why and how behind selecting and defining them pointing out along the way many of the dangers and pitfalls of selecting the wrong ones or too many If you tend to agree that what gets measured gets done then applying the ideas in Peter's book will assist you in getting the right things done Ken Wendle FISM previous President of the itSMF USA works as a Senior Solution Architect for Hewlett Packard's OpenView Software division Given that itSMF is the source readers of this book will naturally expect a best practices view on metrics and a highly practical reference text More particularly though the special merit of the text is its carefulness in stressing that metrics must be both useful and meaningful and that the meaning comes from the business perspective on IT management processes a perspective always represented by a stated business objective By encouraging readers to seriously commit to defining clear business objectives the text aims the reader at measurement that avoids excess or irrelevance Malcolm Ryder CA Architect

Itil Official V3 Foundation Study Guide Introduction

In today's digital age, the availability of Itil Official V3 Foundation Study Guide books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Itil Official V3 Foundation Study Guide books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Itil Official V3 Foundation Study Guide books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Itil Official V3 Foundation Study Guide versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Itil Official V3 Foundation Study Guide books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Itil Official V3 Foundation Study Guide books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Itil Official V3 Foundation Study Guide books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Itil Official V3 Foundation Study Guide books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Itil Official V3 Foundation Study Guide books and manuals for download and embark on your journey of knowledge?

FAQs About Itil Official V3 Foundation Study Guide Books

1. Where can I buy Itil Official V3 Foundation Study Guide books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Itil Official V3 Foundation Study Guide book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Itil Official V3 Foundation Study Guide books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Itil Official V3 Foundation Study Guide audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Itil Official V3 Foundation Study Guide books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
