Six Sigma for IT Management - A Pocket Guide

Melvin Harteveld, Sven den Boer, 2011-03-03 Six Sigma provides a quantitative methodology of continuous process improvement and cost reduction by reducing the amount of variation in process outcomes The production of a product be it a tangible product like a car or a more abstract product like a service consists of a series of processes All processes consist of a series of steps events or activities Six Sigma measures every step of the process by breaking apart the elements within each process identifying the critical characteristics defining and mapping the related processes understanding the capability of each process discovering the weak links and then upgrading the capability of the process It is only by taking these steps that a business can raise the high water mark of its performance IT is now a fundamental part of business and business processes this book demonstrates how IT can be made to work as an enabler to better business processes and how the Six Sigma approach can be used to provide a consistent framework for measuring process outcomes ITIL defines the what of Service Management Six Sigma defines the how of process improvement together they are a perfect fit of improving the quality of IT service delivery and support The Six Sigma approach also provides measures of process outcomes and prescribes a consistent approach in how to use these metrics This Pocket guide provides a coherent view and guidance for using the Six Sigma approach successfully in IT service organisations It particularly aims to merge ITIL and Six Sigma into a single approach for continuous improvement of IT service organizations

IT Service Management Ernest Brewster, Richard Griffiths, Aidan Lawes, John Sansbury, 2010-02-24 ITIL R is a framework for IT service management and provides best management practice to meet ISO IEC 20k This guide introduces ITIL both to Foundation Exam candidates and to people who require a practical understanding of IT service management An ITIL R Licensed Product

Implementing IT Governance - A Pocket Guide Dr. Gad Selig, 2008-04-12 The issues opportunities and challenges of aligning information technology more closely with an organization and effectively governing an organization's Information Technology IT investments resources major initiatives and superior uninterrupted service is becoming a major concern of the Board and executive management in enterprises on a global basis An integrated and comprehensive approach to the alignment planning execution and governance of IT and its resources has become critical to more effectively align integrate invest measure deploy service and sustain the strategic and tactical direction and value proposition of IT in support of organizations Much has been written and

documented about the individual components of IT Governance such as strategic planning demand portfolio investment management program and project management IT service management and delivery strategic sourcing and outsourcing performance management and metrics like the balanced scorecard compliance and others Much less has been written about a comprehensive and integrated IT Business Alignment Planning Execution and Governance approach This new title fills that need in the marketplace and gives readers a structured and practical solutions using the best of the best principles available today The book is divided into nine chapters which cover the three critical pillars necessary to develop execute and sustain a robust and effective IT governance environment leadership and proactive people and change agents flexible and scalable processes and enabling technology Each of the chapters also covers one or more of the following action oriented topics demand management and alignment the why and what of IT strategic planning portfolio investment management decision authority etc execution management includes the how Program Project Management IT Service Management and Delivery with IT Infrastructure Library ITIL and Strategic Sourcing and outsourcing performance risk and contingency management e g includes COBIT the balanced scorecard and other metrics and controls and leadership teams and people skills

Endorsements Selig has brought together his years of practical experience and his academic training to produce a valuable resource on how to successfully manage IT He uses IT governance as the focal point for executing best practices to create alignment between IT and the business In today s marketplace where no organization can compete effectively without alignment this book can become the executive handbook for IT management Christine V Bullen Senior Lecturer Howe School of Technology Management Stevens Institute of Technology Dr Selig has written an extremely comprehensive book on IT Governance It is so comprehensive that today s IT leader need look at few other sources to ensure that they have nailed what it takes to lead a world class IT organization It provides details yet serves as a easily reference able road map for today s busy IT executives it s a great desktop companion Stu Werner Executive Vice President and CIO Li Fong U S A Dr Selig s book on this topic is a great resource for all IT practitioners and brings together every critical aspect relating to IT governance This book lays out a roadmap to executing within a solid governance model It looks at all aspects of establishing marinating growing and sustaining an IT ecosystem The combination of case studies and disciplined approaches to building well structured processes committed leaders and change agents will help the board executive management and most of all CIO s and IT professionals think through what has worked what can work and how to deploy IT governance successfully I very much enjoyed reading the chapters I think you have a great book and I look forward to reading it when it comes out Dick LeFave CIO Sprint Nextel In an era when strong IT governance is an increasingly critical component of visionary business and technology leadership Dr Selig s book provides a welcome compendium of successful practices Experienced leaders will find it a valuable reference while early career managers will appreciate the clear actionable framework for developing high quality sustainable governance models of their own Hank Zupnick CIO GE Real Estate Dr Selig s book is a well thought out

and comprehensive reference guide on the successful governance of IT in context of the larger business. It successfully combines practical check lists and governance models with real world insights in an easy to read format. The book is organized into logical sections that make it easy to find topics of relevance. This book will be useful when setting up a new governance model or challenging and improving what is in place today. It is written in a format that allows the reader to stand back from the detail and look at the bigger picture, recognizing that an integrated approach to IT governance is critical to the overall health of a successful business. Dr Selig has captured this complex topic in a way that will prove a valuable reference for all levels of Executives and managers that are involved in IT governance. Nicholas Willcox, Director IT, Unilever Americas. Dr Selig's blend of executive IT and senior level business experience in major companies combined with many years of teaching experience and research effort have enabled him to create a unique book that blends many different components and perspectives on IT Governance into a single framework. Written for senior and aspiring IT and business leaders, his book draws upon practical experience, research and best practices as well as the collective wisdom of the many senior IT leaders he has interacted with in teaching IT Governance. A five star rating. James R Shea, Director, Syracuse University Center for Business Information Technologies. Dr Selig has created a veritable IT Governance Encyclopedia for the 21st century IT executive. If something isn't covered here, you probably don't need to know it. Peter Schay, Executive VP, The Advisory Council.

ITIL® 4 - A Pocket Guide Jan van Bon, 2019-04-30. The ITIL pocket guides of Van Haren Publishing are since long recognized as the industry classic guide on the topic of ITIL in many languages. Over the years, this authoritative guide has earned its place on the bookshelves and in the briefcases of industry experts as they implement best practices within their organizations. This pocket guide will provide readers with an understanding of the ITIL 4 service management framework by understanding the key concepts of service management, understanding how the seven ITIL guiding principles can help an organization adopt and adapt service management, understanding the four dimensions of service management, understanding the purpose and components of the ITIL service value system, understanding the six activities of the service value chain and how they interconnect, knowing the purpose and key terms of 15 of the 34 ITIL practices, understanding seven of these 15 ITIL practices in detail. All exam requirements for the ITIL 4 Foundation exam are covered in this pocket guide. It also provides support for everyone who has knowledge of previous ITIL editions and is looking for a bridge to the new edition. ITIL 4 took a big leap into the modern world of IT service management, covering the latest principles and practices in a customer focused, service centric way, enabling Agile principles for maximum support of any business.

ITIL® 4 - Pocket Guide Jan van Bon, 2019-05-21. De ITIL pocketguides van Van Haren Publishing worden al lange tijd beschouwd als een betrouwbare gids op het gebied van ITIL in vele taalversies. Deze publicaties hebben een vaste plaats verworven als naslagwerk voor professionals en als hulpmiddel bij het toepassen van best practices in een organisatie. Deze pocketguide maakt lezers bekend met het ITIL 4 framework door inzicht te verkrijgen in de belangrijkste concepten van

servicemanagement te begrijpen hoe de zeven ITIL basisprincipes een organisatie kunnen helpen bij het adopteren en toepassen van servicemanagement inzicht te verkrijgen in de vier dimensies van servicemanagement inzicht te verkrijgen in het doel en de componenten van het ITIL servicewaardesysteem inzicht te verkrijgen in de zes activiteiten van de servicewaardeketen en hoe deze onderling verbonden zijn het doel en de belangrijkste begrippen van 15 van de 34 ITIL practices te leren kennen zeven van die 15 ITIL practices in detail te leren begrijpen Deze pocketguide geeft uitleg over alle exameneisen voor het ITIL 4 Foundation examen en biedt tevens ondersteuning voor iedereen die eerdere ITIL edities kent en op zoek is naar een brug naar deze nieuwe editie ITIL 4 heeft een grote sprong gemaakt in de moderne wereld van IT servicemanagement waarbij de nieuwste principes en practices worden behandeld op een klantgerichte en servicegerichte manier

Itil V3 Pocket Guide Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Itil V3 Pocket Guide free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Itil V3 Pocket Guide free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search

feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Itil V3 Pocket Guide free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Itil V3 Pocket Guide. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Itil V3 Pocket Guide any PDF files. With these platforms, the world of PDF downloads is just a click away.
