Its Only A Demon A Model Of Christian Deliverance:

It's Only a Demon David W. Appleby, 2009 Forged in the crucible of experience this book offers help and what to do guidelines for those individuals who appear to be in the bondage of forces beyond their control This biblical model of deliverance offers an alternative worth considering when medicine and counseling alone have failed to bring about long term freedom This book points the way to transformational change

The Forgotten Officer Joe Kohler, 2016-04-11 The Bible teaches that the church is the fullness of Christ on earth Eph 1 23 and that God is able to do abundantly beyond all that we ask or think according to the power at work within the church Eph 3 20 So why are so many people disappointed with their church experiences Why do so many outsiders view the church as irrelevant Why do so many hop from one church to the next looking for fulfillment Why are so many professing Christians seeking a form of Christian experience that no longer needs any connection with the organized church The truth is that we have collectively drifted away from Gods blueprint for growing the body of Christ up into full maturity and attaining the fullness that he designed We have inherited a leadership model that is more influenced by pagan practices pragmatism and capitalism than by the Scriptures This cultural inheritance is extremely powerful and it has resulted in a contemporary blind spot on a biblical truth of critical importance It has led to our modern failure to properly recognize and appreciate a gift given by Jesus to his bride This is the bad news The good news is that reform is possible Learn what has been forgotten and rediscover the fullness of Gods design for his church

When Life Goes Dark Richard Winter, 2012-04-25 Psychiatrist and theologian Richard Winter explores the complex issues surrounding depression He sorts through scientific research dispels common misunderstandings and looks at how biblical characters experienced despair Here is help for all those who find themselves loved ones or those they counsel vulnerable to depression

A Day in the Life of a Chaplain Rick Rood, 2022-02-11 How can I minister to people in the hospital How can I bring grace and hope to people in pain What is a Christian view of death and dying Of grief and loss Will I see my baby in heaven Does God promise always to heal in answer to our prayers How do we respond in the face of suffering and seemingly unanswered prayer How does God use life s most difficult experiences These are just some of the questions that Chaplain Rick Rood addresses in this book Weaving together stories from his twenty three years as a hospital chaplain and insights from Scripture Rick provides help to those who want to minister effectively to hospital patients and their loved ones

As you read this book you will walk with him through the various units of a hospital and encounter situations typically experienced in each one Rick's prayer is that the Lord might use this book to help its readers become more compassionate and more effective agents of God's grace in the lives of people in pain **The Failure of Evangelical Mental Health Care** John Weaver, 2014-11-17 In the evangelical community a variety of alternative mental health treatments deliverance exorcism biblical counseling reparative therapy and many others have been proposed for the treatment of mentally ill female and LGBT evangelicals This book traces the history of these methods focusing on the major proponents of each therapeutic system while also examining mainstream evangelical psychology The author concludes that in the majority of cases mental disorders are blamed on two main issues sin and demonic possession oppression and that as a result some communities have become a mental health underclass who are ill served or oppressed by both alternative and mainstream evangelical therapeutic systems He argues that the only recourse left for mentally ill female and LGBT evangelicals is to rally for reform and increased accountability for both professional and alternative evangelical practitioners Glorious Freedom Percy Burns, 2020-01-21 Freedom from demonic oppression is surprisingly simple If you struggle with addiction anger fear or other negative cycles it could be a result of demonic influence in your life Even Christians can be oppressed by darkness demons who specialize in stealthy whispers and subtle control These evil influences go undetected *Neo-Gothic Narratives* Sarah E. Maier, Brenda Ayres, 2020-03-31 Neo Gothic Narratives defines and theorises what exactly qualifies as such a text what mobilises the employment of the Gothic to speak to our own times whether nostalgia plays a role and whether there is room for humour besides the sobriety and horror in these narratives across various media What attracts us to the Gothic that makes us want to resurrect reinvent echo it Why do we let the Gothic redefine us Why do we let it haunt us Does it speak to us through intertextuality self reflectivity metafiction immersion affect Are we reclaiming the history of women and other subalterns in the Gothic that had been denied in other forms of history Are we revisiting the trauma of English colonisation and seeking national identity Or are we simply tourists who enjoy cruising through the otherworld The essays in this volume investigate both the readerly experience of Neo Gothic narratives as well as their writerly pastiche Transformative Encounters David W. Appleby, George Ohlschlager, 2013-07-12 What would it mean for Christian counseling and pastoral care to take seriously the idea that God intervenes in the world In this volume more than twenty of the best pastoral counselors clinicians and counselor educators introduce us to the models that they use to integrate the Scriptures and the work of the Holy Spirit into their daily practice *Jesus, Deliver Us* Willard M. Swartley, 2019 Deliver us from the evil one is the heart's cry from the Lord's Prayer Evil wears many faces in our modern world This book connects the Lord's Prayer to troubles of our times be it attacks from Satan the wars around the world the scourge of racism or the mass shootings of our time The subtitle of the book identifies the scope This book blends both deliverance from demonic bondage and witness to the powers in relation to political policies and government While the book aims to be a biblical theology on these topics it seeks also to

address the praxis how these evils are confronted through healing deliverance ministries and what people of God say and do in witness to the powers The two streams of response to evil are really one as a faithful response to the saving work of the Lord God Almighty through Jesus Christ's victory over Satan sin evil and death Love your enemy confronts evil with power to transform

Boundary-Breaking Mission Simone Mulieri Twibell, 2023-08-15 How should we bear witness to the gospel in a postmodern world How do we navigate the turbulent waters of social cultural and religious difference in a pluralistic society How can we minister effectively in multicultural contexts and swim against the unconscious currents of ethnocentrism These questions compel the church to thoroughly reconsider its priorities and rethink its strategy of public engagement Amidst the diversity and the complexity of our world such an examination can rekindle our prophetic imagination and equip us ever more fully in God's kingdom purposes This book reexamines the church's mission and makes specific applications in numerous areas of contemporary concern including outreach to the religious unaffiliated digital natives people of other faiths immigrants and the poor

Epic Families, Equipping Parents to Inspire Their Children to Know God Beth Meltzer, 2014-09-29 Epic Families not only identifies a problem within today's church but presents suggestions that equip parents to raise kids who are passionate for Jesus and offers ways that churches can partner with and empower parents in this mission Definitely well worth the read Rev Allen Perdue Lead Pastor

Jersey Life Church Today's children are not raised in a bubble. Daily they are bombarded with worldly wisdom and are tempted at earlier ages with things that would have stunned parents of previous generations. Epic Families strives to help parents reclaim their God-given mandate to raise their children to know and love Him. Developed through more than a decade of ministry experience as well as one-on-one coaching with parents and church staff, this book identifies ways that the church has taken over a role that was designed for parents. It offers suggestions to parents to help them confidently teach their children about the God who made them, loves them, and wants a relationship with them, while also suggesting ways that churches can partner with parents while not usurping the parents' role. Epic Families can empower parents to inspire their children to trust God and make wise choices. In the busy and sometimes scary world we live in, parents need to intentionally showcase God's presence to their children and let Him permeate their lives. This book offers them a valuable resource to do that.
