Its My Money I Want It:

It's My Money and I'll Cry If I Want To Glen Carlsen, 2000-04 There is a serious lack of conservative books with a sense of humor This book fills that gap I've always hated the assumption that Democrats and big unions represent the average working man Wrong As a carpenter I demand the freedom to keep more of my own money to help my OWN family rather than see the government steal it waste it and give a little bit back in the name of caring I'm trying to create a future for myself but the government is trying to create dependency And they are doing it with MY MONEY Who Took My Money? Monique Amyot, 2009-04 But...It's My Money Gary Fitzgerald, 2013-05 Why does this author purport to know better than any of the other hundreds and possibly thousands of financial services people who have entered your life in a sure shot can't fail book investment or approach that promises the one and only way to get it done The answer and the soothing balm for your skepticism lie in the fact that this author has passed on to you the methodologies he has used himself in his struggle to achieve his personal goals All despite the adversities that plagued his life and put major strains on his personal finances including divorce his children and his own health issues a permanent infirmity that prevented him from continuing his career and a host of other events we term as life happening Through it all he designed and put into play the methods and procedures comprising this book He was his own guinea pig as he tested his theories and methods resolving the glitches and issues until they worked for him Now they are going to work for you if you let them But It's My Money is a guide offering a new dimension of personal finance that will empower you to manage money and make your own decisions in your own best interests and for the benefit of your family and loved ones About the Author Gary Fitzgerald was born in Suffern New York and now resides in West Columbia South Carolina He wrote this book as a guide for his children Publisher's website <http://sbpra.com/GaryFitzGerald> **Where's My Money** John Patrick Shanley, 2002 THE STORY Marriage and its discontents are the subject of WHERE'S MY MONEY When Celeste an out of work actor who's cheating on her boyfriend with a married man runs into Natalie whom she hasn't seen in years the two have some catching up to do Rich Dad's Who Took My Money?
